## **Community Action and Human Services**

The Community Action and Human Services Department (CAHSD) is the connecting point between Miami-Dade County residents and comprehensive social services to address family and community needs. As part of the Health and Human Services strategic area, CAHSD provides a unique blending of programs and services to the full lifetime spectrum, from children to the elderly.

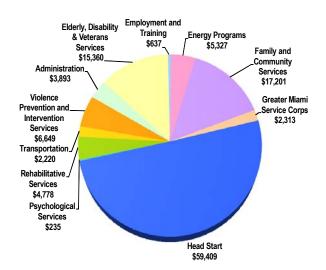

The service delivery model for the Department places emphasis on a coordinated community response approach involving the active engagement of public and private providers to ensure quality, access, and delivery of well integrated services. As the coordinator of social services for Mi ami-Dade County, CAHSD's central intake approach allows for an assessment of residents' eligibility for a wide variety of services at a single point of entry. The department has twelve (12) family and community service centers, and outreach programs to reach underserved areas in Miami-Dade County. The comprehensive services include, but are not limited to, Head St art and School Readiness, Elderly Services, Veterans' Services, Family and Child Empowerment programs, Migrant Farmworker programs, Domestic Violence and Violence prevention, Emergency food, shelter, and utility assistance, home repair and weatherizing, and substance abuse rehabilitative services. These family focused services are complemented by broad opportunities for residents to actively engage in community advisory committees, community boards, foundations and volunteer programs.

CAHSD stakeholders include the United States Department of Health and Human Services, Department of Veteran's Affairs, and the Department of Justice. Also included are the State of Florida Department of Economic Opportunity, Department of Children and Families, The Alliance for Aging, Miami Dade County Public Schools, the Eleventh Judicial Circuit, various Community-based Organizations and County Departments.
