Commission on Ethics and Public Trust

The Commission on Ethics and Public Trust (Ethics Commission) is an independent agency with advisory and quasi-judicial powers. The purpose of the Ethics Commission is to promote and enforce high standards of ethical conduct in government and to build and maintain confidence in public servants.

As part of the General Government strategic area, the Ethics Commission is dedicated to reinforcing public trust in the administration of government by informing the public and private sector about the Conflict of Interest and Code of Ethics laws and by seeking strict compliance with these laws. The Ethics Commission is authorized to investigate complaints and render advisory opinions related to the following County or municipal ordinances: Code of Ethics and Conflict of Interest, Lobbyist Registration and Reporting, Citizens' Bill of Rights, Ethical Campaign Practices, and Whistleblowing. Community outreach and educational programs are also crucial components of the Ethics Commission's mission. The Ethics Commission hosts a wide array of programs to educate the public on issues concerning ethics, good governance, and accountability through town hall meetings, panel discussions, and training workshops, as well as local and national conferences and forums.

The Ethics Commission, by Board ordinance, has jurisdiction extending to municipalities within Miami-Dade County. Its jurisdiction also extends to certain lobbyists, contractors, and vendors.
