## Fire Rescue

The Miami-Dade Fire Rescue Department (MDFR) protects people, property, and the environment by providing proactive responsive, professional, and humanitarian emergency fire rescue services that are essential to public health, safety, and well-being. MDFR is one of the ten largest fire rescue departments in the United States, serving residents, businesses, and visitors 24 hours per day, 365 days per year. MDFR has 66 fire rescue stations serving unincorporated Miami-Dade County and 29 municipalities.

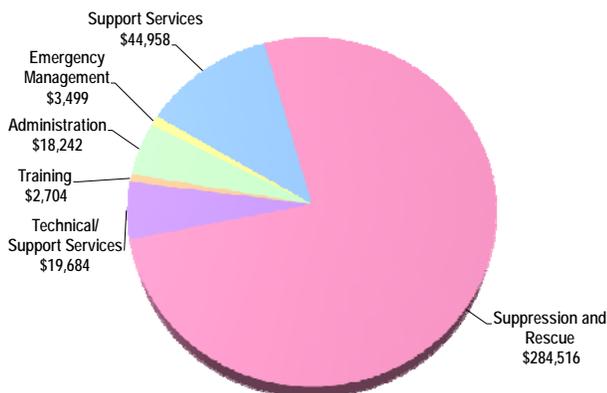

MDFR's commitment to protecting people, property, and the environment aligns with goals of the Public Safety strategic area. In addition, MDFR provides emergency air transport service within Miami-Dade County to state-approved trauma centers. Additional specialty units are dedicated to Airport and Seaport response, hazardous materials emergencies, ocean rescue, marine services, response to snake bites, urban search and rescue, and complex extrications. MDFR also inspects buildings for fire hazards and reviews plans for compliance with the Fire Code.

The Office of Emergency Management (OEM) supports our community's disaster preparedness, response, recovery, and mitigation needs through the coordination of information and resources. Additionally, the OEM manages the County's Emergency Operations Center (EOC), which coordinates emergency response and recovery plans, decisions, and operations in order to maximize the use of resources within Miami-Dade County. The OEM provides these services throughout Miami-Dade County, inclusive of all of its municipalities.

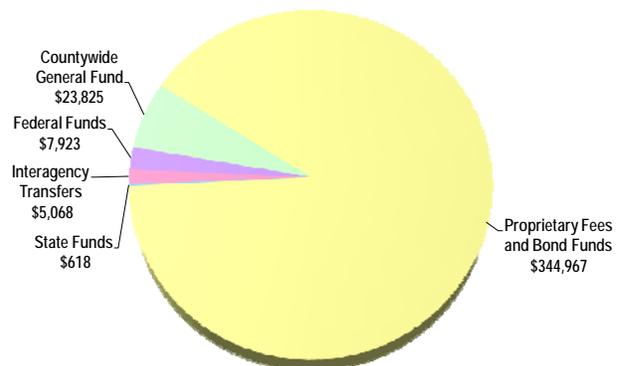

MDFR is accredited by the Commission on Fire Accreditation International (CFAI), which is part of the Center for Public Safety Excellence, Inc. The department is one of only 192 agencies to achieve International Accreditation Agency status by CFAI and is the largest accredited fire rescue department in the Southeast and the second largest in the nation. Additionally, the Office of Emergency Management is accredited through the Emergency Management Accreditation Program, an affiliate of the Council of State Governments, and is one of only 49 jurisdictions nationwide and three in the state of Florida to achieve that status.
