These parks range from small neighborhood parks to large regional parks and also include revenue generating facilities, such as golf courses, tennis centers, and marinas; nature preserves and programs such as EcoAdventures; historic sites and other destinations, such as the Deering Estate at Cutler, Fruit and Spice Park, and Trail Glades Range; and the Miami-Dade Zoological Park and Gardens (Zoo Miami). The Department attracts regional, national and international events, including equestrian, track and field, and professional tennis tournaments at the Crandon Park Tennis Center. The Department also manages roadway landscape maintenance; roadside tractor safety mowing; lot clearing services contracts; and the installation of trees, palms, and landscaping to provide aesthetic enhancements, through support of the Neat Streets Miami Board.

The Department coordinates many activities with a variety of stakeholders including residents, homeowners' associations, community councils, municipalities, various groups involved in sports and recreational development, environmental groups, community-based organizations, and other local and neighborhood groups.
