As part of the Health and Human Services strategic area, CAHSD provides a unique blending of programs and services to the full lifetime spectrum, from children to the elderly.

The service delivery model for the Department places emphasis on a coordinated community response approach involving the active engagement of public and private providers to ensure quality, access, and delivery of well integrated services. As the coordinator of social services for Miami-Dade County, CAHSD's central intake approach allows for an assessment of residents' eligibility for a wide variety of services at a single point of entry. Also included are the State of Florida Department of Economic Opportunity, Department of Children and Families, The Alliance for Aging, Miami Dade County Public Schools, the Eleventh Judicial Circuit, various Community-based Organizations and County Departments.

Homeless Trust

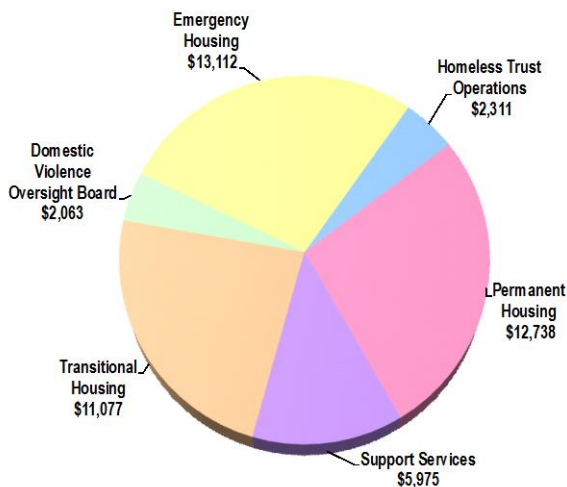

The Miami-Dade County Homeless Trust (Homeless Trust) serves as the coordinating entity for services for homeless individuals and families throughout Miami-Dade County. The Homeless Trust administers a portion of the one percent Food and Beverage Tax proceeds, as well as federal, state, and other resources dedicated to services for the homeless; advises the Board of County Commissioners on issues related to homelessness; serves as the identified "Lead Agency" for the United States Housing and Urban Development (USHUD) funds for our community, and the State's Homeless Coalition for Miami-Dade County; implements the Miami-Dade County Community Homeless Plan; and provides administrative, contractual, and policy formulation assistance related to homeless services.

As part of the Health and Human Services strategic area, the Homeless Trust funds and monitors prevention services, emergency, transitional, and permanent housing, as well as supportive services for the homeless. Each area is specifically designed to meet the unique needs of homeless individuals and families when they first enter the system, as well as their needs as they develop and evolve over time. This blend of housing and services comprises what is known as the homeless continuum of care. Over 6,000 emergency, transitional, and permanent housing beds have been developed by or through the Homeless Trust since its inception in 1993. The Homeless Trust also supports the Domestic Violence Oversight Board (DVOB) and coordinates and monitors the construction and operations of domestic violence centers in Miami-Dade County.

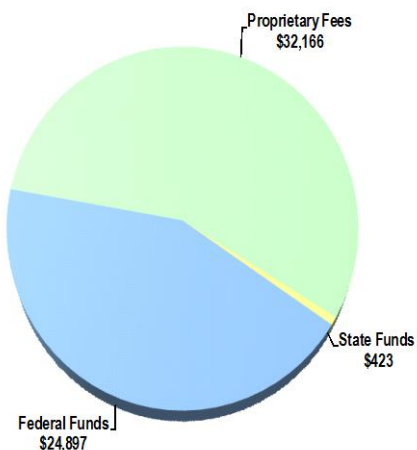

A Board of Trustees, comprised of 27 members, governs the Homeless Trust. Membership consists of appointed leadership, including County and City Commissioners, representatives from the Judiciary, the Superintendent of Schools, the Florida Department of Children and Families Regional Administrator and the City of Miami Manager. The Board also includes representation from the Miami Coalition for the Homeless; business, civic, and faith-based community groups; homeless service providers; homeless individuals; and formerly homeless individuals. In order for the Homeless Trust to be successful in its mission of assisting homeless individuals and families, it relies on the services offered by provider agencies within the community, including its private sector partner, the Chapman Partnership.

Public Housing and Community Development

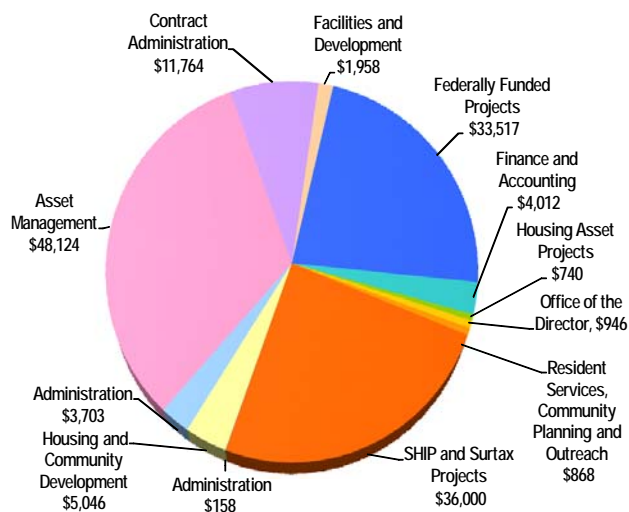

The Department of Public Housing and Community Development (PHCD) administers federal funding for all of the County's housing and community development programs including public housing, rental housing, affordable housing, rehabilitation and revitalization. These programs have been developed to provide decent, safe, sanitary, and affordable housing and to promote viable urban communities and sustainable living environments, principally for extremely low-income to moderate-income families and individuals.

As part of the Health and Human Services and the Economic Development strategic areas, PHCD oversees over 9,000 units of public housing and provides Section 8 subsidized payments for up to 17,000 households. The Department provides supportive services to improve the quality of life and general environment of public housing residents, including assisted living facility (ALF) services for elderly residents and the Family Self-Sufficiency Program for tenants in both the Private Rental (Section 8) and Public Housing programs. PHCD monitors and oversees performance through the Public Housing Assessment System (PHAS) and the Section Eight Management Assessment Program (SEMAP). PHCD provides assistance and programs that expand economic opportunity and community development. Additionally, PHCD is the County department primarily responsible for developing and financing affordable housing, to include the oversight of the Documentary Stamp Surtax (Surtax) and State Housing Initiatives Partnership (SHIP) funds for affordable housing development.

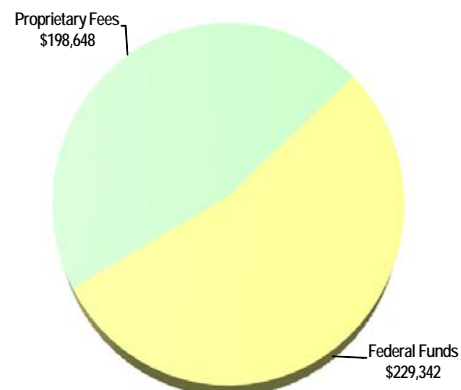

PHCD's stakeholders are the residents of Miami-Dade County, primarily extremely low-income to moderate-income individuals, families, and elderly residents. PHCD works closely with its Resident Boards, private landlords, affordable housing developers, for-profit and non-profit organizations and County departments. A primary partner of PHCD is the United States Department of Housing and Urban Development (U.S. HUD), which provides the Public Housing, Capital Grants, Section 8, HOPE VI, Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), Emergency Solutions Grant (ESG), and Neighborhood Stabilization Program (NSP) funding.
