Corrections and Rehabilitation

The mission of the Miami-Dade Corrections and Rehabilitation Department (MDCR) is to provide for the care, custody, and control of individuals who are arrested in Miami-Dade County, to support judicial functions for criminal prosecution, and to offer rehabilitative programs for inmates.

As part of the Public Safety strategic area, the Department operates five detention facilities with a system-wide average of approximately 5,000 inmates per day; books and classifies approximately 80,000 inmates annually; and provides court services, alternative to incarceration programs, inmate rehabilitation programs, and transportation to court and state facilities.

The Department works closely with other law enforcement agencies such as the Miami-Dade Police Department, municipal police departments, judges and judicial staff, and the legal community including the State Attorney's Office, Public Defender's Office, private attorneys, and bail agencies.
