Homeless Trust

The Miami-Dade County Homeless Trust (Homeless Trust) serves as the coordinating entity for services to homeless individuals and families throughout Miami-Dade County. The Homeless Trust administers a portion of the one percent Food and Beverage Tax proceeds, as well as federal, state, local and other resources dedicated to providing housing and services for the homeless; advises the Board of County Commissioners on issues related to homelessness; serves as the identified "Lead Agency" for the United States Department of Housing and Urban Development (USHUD) Continuum of Care funds for our community, and the State's Homeless Coalition for Miami-Dade County; implements the Miami-Dade County Community Homeless Plan; and provides administrative, contractual, and policy formulation assistance related to homeless services.

As part of the Health and Human Services strategic area, the Homeless Trust funds and monitors prevention services and emergency, transitional, and permanent housing, as well as supportive services for the homeless. Each area is specifically designed to meet the unique needs of homeless individuals and families when they first enter the system and as their needs develop and evolve over time. This blend of housing and services comprises what is known as the homeless continuum of care. Over 8,000 emergency, transitional, and permanent housing beds have been developed by or through the Homeless Trust since its inception in 1993. The Homeless Trust also supports the Domestic Violence Oversight Board (DVOB) and coordinates and monitors the construction and operations of domestic violence centers in Miami-Dade County.

A Board of Trustees, comprised of 27 members, governs the Homeless Trust. Membership consists of appointed leadership, including County and City Commissioners, representatives from the Judiciary, the Superintendent of Schools, the Florida Department of Children and Families Regional Administrator and the City of Miami Manager. The Board also includes representation from the Miami Coalition for the Homeless; business, civic, and faith-based community groups; homeless service providers; homeless individuals; and formerly homeless individuals. In order for the Homeless Trust to be successful in its mission of assisting homeless individuals and families, it relies on the services offered by provider agencies within the community, including its private sector partners.

DIVISION COMMENTS

- During FY 2015-2016, the United States Department of Housing and Urban Development announced it would not continue to renew, in part
 or in whole, 24 programs providing Transitional Housing or Support Services to homeless persons in Miami-Dade County; funding
 reductions are approximately \$6 million; a transition plan is in place to use one-time emergency Food and Beverage Tax reserves should
 other processes to identify funding be unsuccessful
- The FY 2016-17 Adopted Budget includes \$300,000 to match an equal contribution from State Housing Initiatives Partnership funds from
 the Department of Public Housing and Community Development (PHCD); combined with commitments from the cities of Miami Gardens
 and Hialeah, funds totaling \$784,864 will be used to provide prevention and rapid rehousing assistance to those who are homeless or at-risk
 of homelessness, in Miami-Dade County
- In FY 2016-17 Homeless Trust Capital Reserves are funded at \$3.124 million for future repairs; Tax Equalization Reserves are funded at \$4.169 million and Operational Reserves are funded at \$2.799 million for any emergencies or significant reductions to the Food and Beverage Tax collections
- Nearly \$25 million in Food and Beverage taxes will be allocated for services for the homeless and for victims of domestic violence; bridge funding is provided to allow programs to adjust to the loss of federal funding support for transitional housing and other programs; now that the construction and operations of a new domestic violence shelter are completely funded, our legislative package will include a request for an adjustment to the statutory language governing the use of the funding for services for victims of domestic violence to allow support for existing shelters

- As part of a partnership with PHCD, the FY 2016-17 Adopted Budget includes \$200,000 to provide support services to 120 homeless veterans receiving housing vouchers
- The Homeless Trust has budgeted \$724,000 in the FY 2016-17 Adopted Budget to provide repairs to its two Homeless Assistance Centers which serve homeless families and individuals
