Library

The Miami-Dade County Public Library System (Library, Library System, or MDPLS) provides public library services to fulfill the informational, educational, and recreational needs of our community.

As part of the Recreation and Culture strategic area, MDPLS serves one of the largest and most diverse populations in the United States. Approximately 2,500,000 residents of the Miami-Dade County Library District enjoy access to a collection of nearly 5,500,000 items, 242,000 downloadable or streaming audio and eBooks, 7,000,000 downloadable songs and music videos, and nearly 272 downloadable digital magazines in a wide variety of formats and languages. MDPLS also provides a state-of-the-art computer network with free Wi-Fi internet access, public computer workstations, gaming platforms, tablets, 3D printers, and a variety of software and hardware platforms for learning, creation, and recreational use. The Library System operates a Main Library, five regional branches, 44 neighborhood branches, two YOUmedia Miami locations, two YOUmake Miami locations, two bookmobiles, and the TechnoBus mobile computer learning center. MDPLS is accessible 24 hours per day, seven days per week through our free online services, including research databases, online educational services, and downloadable eBooks, magazines, movies, and music services.

The Library System coordinates its many activities and functions with a variety of stakeholders, including schools, homeowners' associations, community councils, municipalities, various groups involved in fundraising and partnership activities for the benefit of the Library System, community-based organizations, and other local and neighborhood groups. In addition, the Department works in conjunction with many County departments and agencies such as Career Source South Florida, Cultural Affairs, Elections, Homeless Trust, Information Technology, Internal Services, Juvenile Services, Miami-Dade Police, Parks, Recreations, and Open Spaces, Transportation and Public Works, Animal Services, Solid Waste Management, Water and Sewer, and Public Housing and Community Development, to deliver programs and services to the public, as well as to implement the Library System's capital plan.

DIVISION: DIRECTOR'S OFFICE

The Director's Office provides leadership and strategic direction, coordinates the implementation of departmental initiatives, and oversees departmental operations and policy.

- Directs and coordinates all departmental operations, including technology and programmatic initiatives
- Provides strategic direction through policy development, planning, and assessment of industry trends
- Guides organizational development and performance excellence initiatives
- Works closely with County residents, the Library Advisory Board, state and national library organizations, local fundraising advocates, and elected leaders to receive feedback and provide updates about MDPLS

- In FY 2016-17, the Library Director's Office continued to execute and implement the recommendations of the Mayor's Blue Ribbon Task Force, including numerous initiatives related to responding to neighborhood needs, deploying updated technology, expanding partnerships, assessing and addressing capital needs, and aligning strategic objectives and measures to track progress in these areas
- In FY 2016-17, the Library Director's Office initiated a strategic planning process for the creation of a new multi-year strategic plan; this
 process will be completed by Fall 2017; the current strategic plan will be extended through December 2017 to allow for completion of this
 process
- As part of the FY 2017-18 Adopted Budget, the Library Director's Office has implemented improvements to the MDPLS Fee Schedule, such
 as increased flexibility for use of MDPLS meeting rooms by non-profit and governmental organizations, elimination of daily overdue fines on
 children's materials, and elimination of fines for materials that are no longer utilized by MDPLS; these changes will improve access to library
 services, improve customer relations between staff and the public, and encourage use of library facilities for the benefit of the public
- In November 2017, the Library Director's Office, in conjunction with the Information Technology Department, launched the MDPLS E-card, providing online issuance of a library card number and immediate access to MDPLS online resources
- In FY 2016-17, MDPLS received four National Association of Counties achievement awards for innovation in libraries

DIVISION: COMMUNITY ENGAGEMENT, PARTNERSHIPS AND PROGRAMMING

The Community Engagement, Partnerships and Programming Division oversees the development and implementation of special events, programs and workshops, including innovative programs and services provided at branch locations or in conjunction with other local events, and services such as literacy tutoring, materials for the visually impaired, and delivery of materials to those who are elderly, homebound, or physically disabled.

- Develops new partnerships with private and public sector entities to broaden community interest in Library services
- Stages educational workshops and exhibitions on a system-wide basis
- Provides informational and lending services to users with special needs
- Conducts outreach to community organizations, municipalities and local, state, and federal governmental agencies
