

OUR GOVERNMENT

Miami-Dade County is unique in its structure and has been recognized nationally for our dedication to results-oriented management. Many of our programs and services have received awards based on our service delivery planning and allocation of resources. The County has operated since 1957 under a unique metropolitan system of government known as a "two-tier federation." This was made possible when Florida voters approved a constitutional amendment in 1956 that allowed the people of the County to enact a [Home Rule Charter](#). At that time, the electors of Miami-Dade County were granted the power to revise and amend the Charter by countywide vote. The most recent amendment was in November 2012.

The County has home rule powers, subject only to the limitations of the Constitution and general laws of the State. We are, in effect, a regional government with certain powers effective throughout the entire county, including 34 municipalities located within the county, and a municipal government for the unincorporated area of the county. Unlike a consolidated city-county, where the city and county governments merge into a single entity, these two entities remain separate. Instead there are two "tiers," or levels, of government: city and county. The County can take over particular activities of a city's operations if the services fall below minimum standards set by the Board of County Commissioners (BCC) of Miami-Dade County or with the consent of the governing body of a particular city. The County can also dissolve a city with fewer than 20 electors.

Of the county's total population, an estimated 1.184 million or 43 percent live in the unincorporated area, the majority of which is heavily urbanized. For residents living in the Unincorporated Municipal Service Area (UMSA), the County fills the role of both tiers of government. All residents pay a property tax to support regional services, such as transportation, jails, and regional parks. Residents within UMSA pay a property tax for municipal-type services provided by the County such as local police patrol, local parks, and local roads. Residents of municipalities do not pay UMSA tax, but rather pay a property tax to the municipality in which they reside. Each municipality levies taxes against its property tax roll. Municipalities develop and approve their own budgets, which are not part of the County's budget. The following table shows the population and roll value for each municipal taxing jurisdiction.

FY 2018-19 Adopted Budget and Multi-Year Capital Plan

The County budgets for four separate taxing jurisdictions: Countywide, the Unincorporated Municipal Service Area (UMSA), the Fire Rescue District, and the Library System. Each taxing jurisdiction is responsible for different types of services. The Countywide jurisdiction provides regional services such as public health and social services, transportation, regional parks and county roads, support for the court system, and the regional sheriff services and jails. The UMSA jurisdiction provides the municipal services for the residents of the county who don't live in municipalities. These services include local police patrol, local parks and roads, planning, and code enforcement. The Fire Rescue District provides fire rescue service for the entire county, except for the cities of Hialeah, Miami, Miami Beach, Key Biscayne, and Coral Gables. The Library System jurisdiction includes all municipalities and UMSA, except for Bal Harbour, Hialeah, Miami Shores, North Miami, North Miami Beach, and Surfside.

The table below shows the value of the property tax roll for each of the County's four taxing jurisdictions.

 new construction + additions + improvements increasing value by at least 100% + annexations from the tax rolls
 + total tangible personal property taxable value in excess of 115% of the previous year's total taxable value - deletions

GOVERNANCE

On January 23, 2007, the Miami-Dade County Charter was amended to create a Strong Mayor form of government, with further charter amendments approved on November 2, 2010. The Mayor is elected countywide to serve a four-year term and is limited to two terms in office. The Mayor, who is not a member of the BCC, serves as the elected head of County government. In this role, the Mayor is responsible for the management of all administrative departments and for carrying out policies adopted by the Commission. The Mayor has, within ten days of final adoption by the BCC, veto authority over most legislative, quasi-judicial, zoning, and master plan or land use decisions of the BCC, including the

FY 2018-19 Adopted Budget and Multi-Year Capital Plan

budget or any particular component, and the right to appoint all department directors unless disapproved by a two-thirds majority of those Commissioners then in office at the next regularly scheduled BCC meeting.

The BCC is the legislative body, consisting of 13 members elected from single-member districts. Members may be elected to serve two consecutive four-year terms and elections of the membership are staggered. The full BCC chooses a Chairperson, who presides over the BCC, as well as appoints the members of its legislative committees. The BCC has a wide array of powers to enact legislation, establish service standards, and regulate businesses operating within the County. It also has the power to override the Mayor's veto with a two-thirds vote.

Florida's Constitution provides for five elected officials to oversee executive and administrative functions for each county: Sheriff, Supervisor of Elections, Tax Collector, Property Appraiser, and Clerk. Through the Home Rule Charter, the first three of these offices were reorganized and became subordinate County Departments. The most visible distinction between Miami-Dade and other Florida counties is the title of its law enforcement agency. It is the only county in Florida that does not have an elected sheriff, or an agency titled "Sheriff's Office." Instead, the equivalent agency is known as the Miami-Dade Police Department and its chief executive is known as the Director of the Miami-Dade Police Department. The Property Appraiser is elected to a four-year term, with no term limits. The Clerk of the Board is a separate, duly elected constitutional officer as mandated by Article V, Section 16 of the Constitution of the State of Florida. The Clerk is elected to a four-year term by the electorate of Miami-Dade County. In this capacity, the Clerk serves as the Clerk of the Board of County Commissioners, County Recorder, County Auditor, custodian of all County funds, and custodian of all records filed with the Court.
