- MetroZoo Amazon and Beyond Exhibit – TBD

ACCOMPLISHMENTS

Contract Activity by Departments This Period

- Design Contracts – 0
- Design Contracts awarded – 0
- Construction Contract Requests-to-Advertise filed with the Clerk of the Board – 0
- Construction Contracts awarded – 0

Municipalities, Not-for-Profits and Funds

- See attached reports

OTHER ACCOMPLISHMENTS

- OCI reviewed an agenda item prepared by DHS for the modification of BBC-GOB Project Nos. 215 and 216 which include demolition and reconstruction of the Wynwood Neighborhood Service Center (GOB Project No. 215) and land acquisition and construction of a new Allapattah Neighborhood Service Center (GOB Project No. 216). This modification will revise the projects' scopes and descriptions by combining the \$7.5 million allocated for each service center thereby eliminating the need to construct two public service outreach facilities serving Commission District 3. This modification will result in 1) the cancellation of Project No. 216 (Allapattah) and; 2) the combination of the BBC-GOB allocations for Project Nos. 215 and 216, for a total of \$15 million, to construct a comprehensive social services facility at the current Wynwood Neighborhood Service Center site (Project No. 215).
- GSA approved the purchase order for the purchase of replacement emergency generators at various district police stations (BBC-GOB Project No. 203).
- OCI worked with representatives of UM/JMH to finalize the agenda item requesting a significant modification to the project description for BBC-GOB Project No. 212 - University of Miami/Jackson Memorial Hospital (UM/JMH) Center of Excellence for the Diagnosis of Communication Disorders. This modification will revise the project description by eliminating the requirement for a funding match from the hospital. The proposed new language is to provide \$5,000,000 for the acquisition, construction or

rehabilitation of a new approximately 20,000 square foot UM/JMH Center of Excellence for the Diagnosis of Communication Disorders. The balance of the project's estimated cost of \$25 million will come from other non-GOB funding sources.

DECISION ITEMS

- None this period.
