CONTINUING EDUCATION SPONSOR/COURSE APPLICATIONS:

Submitted by Jorge Gamoneda, Continuing Education Administrator, for Board's review:

FLORIDA CONCRETE & PRODUCTS ASSOCIATION

Sponsorship and one course renewal

Masonry Construction & Inspection Certification Workshop (15hours)

D058-002

Please note effective date of this renewal will be December 15, 2005, which is the expiration date of both the sponsorship and the course. **The reason is two fold one, I do not want to give them an incentive for renewing late and second, nor do I want to reward them for renewing late which is what we would in fact be doing if we made the effective date the day of the Board meeting, and by doing it this way there is no brake in service. Mr. Gamoneda will exercise this renewal logic whenever a renewal is late.**
