INSTRUCTION PAGE

This year the Regulatory and Economic Resources Department (RER) in cooperation with Miami Dade College is pleased to present the continuing education program for Board of Rules and Appeals certified personnel. Twelve hours of training, applicable to everyone, will be provided. Individual four (4) hour seminars directed at each specific trade will also be presented. Two (2) Saturday sessions have also been added to allow greater flexibility in ensuring attendance while maintaining department staffing levels. All seminars will satisfy the sixteen (16) hours of biennial (each even numbered year) continuing education credit necessary for recertification by the Board of Rules and Appeals. Additionally, an eight hour seminar for Structural Plans Examiners will be provided.
