

NOTICE TO ALL PERMIT APPLICANTS

Effective January 6, 2014, the Miami-Dade County Department of Regulatory and Economic Resources will no longer accept new permit applications for work to be performed on properties located within the City of West Miami; permit applicants will need to go to:

**City of West Miami
901 S.W. 62nd Avenue
West Miami, FL 33144
Telephone Number: (305) 266-1122**

However, please be advised that the Miami-Dade County Department of Regulatory and Economic Resources will continue to do the following:

- Complete the plan review process for valid applications accepted prior to January 6, 2014 and issue required permits and perform inspections.
- Accept revised permit applications relating to valid master permits.
- Issue subsidiary permits relating to valid master permit numbers issued by the department.
- Perform inspections on valid permits.

Additionally, be advised that after January 6, 2014, municipal permit application reviews will continue to be performed by the Environmental Plan Review and Impact Fees Sections of the Department of Regulatory and Economic Resources and by other Miami-Dade County departments, as required.

Thank you for your attention to this matter.
