**Listed Product
 Certificate**

Certification No. L 07-1023.02

Ref.: Southeastern Metals Manufacturing Co., Inc.

**11801 Industry Drive
 Jacksonville FL 32218**

The Building Code Compliance Office certifies that the above referenced manufacturer has submitted evidence to the Product Control Division to participate in its Listing Service Program. The scope of this certificate is limited to the corrosion-resistance of the product(s) listed herein.

Tin-Caps

Any product listed under this certificate may be subject to audits conducted by the Quality Assurance Unit of the Product Control Division. As part of the audit program, random samples, obtained from a supply house may be sent to a Miami-Dade County approved laboratory to ensure product conformity. Any complaint submitted to our office and supported by evidence will be investigated and may result in testing of the product. A listed product will not be tested more than twice for the same issue within the terms of the certification.

Certification Date: 10/25/2007
Certification Expires: 10/25/2008

Jaime D. Gascon, P.E.
 Chief
 Product Control Division

Americo Segura
 Senior Quality Assurance Inspector
 Product Control Division

Miami-Dade County's Building Code Compliance Office reserves the right to revoke this certification for noncompliance issues related to the Product Listing requirements and/or noncompliance issues related to the manufacturer's quality assurance program.
