Certification No. L 08-0508.01

Ref.: Panamerican Steel Products USA Inc.

1820 NW 82nd Ave

Doral

FL 33126

The Building Code Compliance Office certifies that the above referenced manufacturer has submitted evidence to the Product Control Division to participate in its Listing Service Program. The scope of this certificate is limited to the corrosion-resistance of the product(s) listed herein.

Tin Cap TC158

Any product listed under this certificate may be subject to audits conducted by the Quality Assurance Unit of the Product Control Division. As part of the audit program, random samples, obtained from a supply house may be sent to a Miami-Dade County approved laboratory to ensure product conformity. Any complaint submitted to our office and supported by evidence will be investigated and may result in testing of the product. A listed product will not be tested more than twice for the same issue within the terms of the certification.
