Certification No. L 11-1019.04

**Ref.: Bluelinx Corporation
4300 Wildwood Parkway
Atlanta, GA 30339**

The Department of Permitting, Environment, and Regulatory Affairs (PERA) certifies that the above referenced manufacturer has submitted evidence to the Product Control Section to participate in its Listing Service Program. The scope of this certificate is limited to the corrosion-resistance of the product(s) listed herein.

Tin Cap Batten Plate

Any product listed under this certificate may be subject to audits conducted by the Quality Assurance Unit of the Product Control Section. As part of the audit program, random samples, obtained from a supply house may be sent to a Miami-Dade County approved laboratory to ensure product conformity. Any complaint submitted to our office and supported by evidence will be investigated and may result in testing of the product. A listed product will not be tested more than twice for the same issue within the terms of the certification.

A handwritten signature in black ink, appearing to read "Jaime D. Gascon". The signature is written over a horizontal line.
