NOTICE OF ACCEPTANCE (NOA)

Westech Building Products, Inc.
4751 Hwy 62 East
Mount Vernon, IN 47620

SCOPE:
This NOA is being issued under the applicable rules and regulations governing the use of construction materials. The documentation submitted has been reviewed and accepted by Miami-Dade County RER- Product Control Section to be used in Miami Dade County and other areas where allowed by the Authority Having Jurisdiction (AHJ).

This NOA shall not be valid after the expiration date stated below. The Miami-Dade County Product Control Section (In Miami Dade County) and/or the AHJ (in areas other than Miami Dade County) reserve the right to have this product or material tested for quality assurance purposes. If this product or material fails to perform in the accepted manner, the manufacturer will incur the expense of such testing and the AHJ may immediately revoke, modify, or suspend the use of such product or material within their jurisdiction. RER reserves the right to revoke this acceptance, if it is determined by Miami-Dade County Product Control Section that this product or material fails to meet the requirements of the applicable building code.

This product is approved as described herein, and has been designed to comply with the High Velocity Hurricane Zone of the Florida Building Code.

DESCRIPTION: Extruded PVC Vinyl Fencing Systems

APPROVAL DOCUMENT: Drawing No. 10-02, titled “PVC Privacy Fence systems”, sheets 1 through 9 of 9, prepared by Al-Faroq Corporation, dated April 09, 2010, last revision #D dated November 05, 2018, signed and sealed by Javad Ahmad, P.E., bearing the Miami-Dade County Product Control Revision stamp with the Notice of Acceptance number and the expiration date by the Miami-Dade County Product Control Section.

MISSILE IMPACT RATING: None

LABELING: Each fence section shall bear a permanent label with the manufacturer's name or logo, city, state, and the following statement: "Miami-Dade County Product Control Approved", unless otherwise noted herein.

RENEWAL of this NOA shall be considered after a renewal application has been filed and there has been no change in the applicable building code negatively affecting the performance of this product.

TERMINATION of this NOA will occur after the expiration date or if there has been a revision or change in the materials, use, and/or manufacture of the product or process. Misuse of this NOA as an endorsement of any product, for sales, advertising or any other purposes shall automatically terminate this NOA. Failure to comply with any section of this NOA shall be cause for termination and removal of NOA.

ADVERTISEMENT: The NOA number preceded by the words Miami-Dade County, Florida, and followed by the expiration date may be displayed in advertising literature. If any portion of the NOA is displayed, then it shall be done in its entirety.

INSPECTION: A copy of this entire NOA shall be provided to the user by the manufacturer or its distributors and shall be available for inspection at the job site at the request of the Building Official.

This NOA revises NOA #15-1013.08 and consists of this page 1, evidence submitted pages E-1, E-2, & E-3 as well as approval document mentioned above.

The submitted documentation was reviewed by Helmy A. Makar, P.E., M.S.

PVC PRIVACY FENCE SYSTEMS

This product has been designed and tested to comply with the requirements of the 2017 (6th Edition) Florida Building Code including high velocity hurricane zone (MH/2).

Installation or loading conditions other than those shown in these details are not part of this approval.

All concrete shall have a 28 day compressive strength of 3000 psi.

Fence systems covered under this approval shall be manufactured from rigid PVC homopolymer, SIC 3064 profiles.

Fences shall be installed as per manufacturer's installation instructions.

PRODUCT MARKING

A label shall be affixed on each fence with the following statement.

WESTECH BUILDING PRODUCTS, INC., VERNON, IN.
‘MIAMI-DADE COUNTY PRODUCT CONTROL APPROVED’

Fence systems are designed for 75 MPH wind speed or 115 MPH 3 second gusts in compliance with the Florida Building Code.
