**SUBJECT: Zion Tile NOA No. 02-0603.04 (Alhambra)**

---

It has come to our attention that some roof tiles may not have the proper mark indicating the country of manufacture origin as indicated in the Notice of Acceptance.

Please be advised that Zion's Alhambra tiles are only approved to be manufactured in Guatemala and Colombia as indicated in the submitted Quality Assurance Manual. Please also note that unlabeled tiles are not approved.

If further clarification is needed to address this issue, please contact Jaime Gascon, P.E., Product Control Division Chief at (305) 375-2902.
