As you know, the Proposed Crane Ordinance was scheduled for a public hearing but was deferred until the December 11<sup>th</sup>, 2007 *Governmental Operations and Environment Committee* meeting so that the Crane Advisory Group may meet again to finalize issues related to wind load capacity and other items.

The *Crane Advisory Group* will meet on Monday, November 26<sup>th</sup>, 2007 from 8:30 AM until 6:00 PM at 111 NW 1<sup>st</sup> Street (the Stephen P. Clark Government Center) 18<sup>th</sup> Floor, Room 18-3, Miami, Florida.

Both meetings are open to the public and any items of discussion or concerns regarding Cranes can be addressed at these forums.
