

## **Administration Schedule – 2009**

Examinations may be taken at any of the regular scheduled administrations for any of the counties that GITS, LLC provides examinations for unless the county has specific directions otherwise.

Test may also be taken at the Ocala office of GITS, LLC with a minimum of 24 hours advance scheduling. Scheduling at GITS offices in Ft. Lauderdale, Tampa and other in state GITS offices may require a longer lead time if the test is desired on hardcopy (paper) as all printing takes place in Ocala for quality control purposes. Tests are not “stored” at any site for administration purposes except those scheduled during a one week period. Some test administrations may require an additional fee if special arrangement are needed to accommodate the individual taking the examination. No additional fees will be assessed for accommodations that are for documented disabilities.

During late 2008 and early 2009 GITS, LLC will be repositioning our local testing offices in Florida. Offices will be located in Dade County, Palm Beach County, Hillsborough County, and Ocala (Marion) County at the least. It is possible we will be relocating other administrations as new clients are added. Presently this includes plans to begin testing in Putnam County and possibly Lee County. As well as increasing the number of administrations being given in Volusia County, if any additional counties/cities sign on as new clients administrations will be added to provide for the same monthly scheduled administration in those areas. So please read any notices sent to you via e-mail from GITS as that will be our official notification of new locations and dates.
