Contract Measures Recommendation

| <u>Measure</u> | <u>Program</u> | <u>Goal Percent</u> |
|----------------|----------------|---------------------|
| Goal | CBE | 15.00% |

Reasons for Recommendation

This project meets all the criteria set forth in I.O. # 3-32, Section V.

Attempts were made at establishing a Tier 2 Set-Aside for CBE firms; however, only one CBE firm is certified in all "Three" Technical Categories (5.05, 5.08, & 17.00 which accounts for 85% of the scopes of services); and required of the prime, in addition to the minimum requirements stipulated, which must be satisfied by the prime. Therefore, SBD concurs with the recommendation of a 15% CBE Goal, which is the remaining scope of services.

Reason for resubmittal: There were changes to the scopes of services (inclusive of the areas identified for the prime versus the sub-consultants), which accounts for the reduction in the CBE recommendation from the original 22% to the current 15%.
