Contract Measures Recommendation

<u>Measure</u>	<u>Program</u>	<u>Goal Percent</u>
Goal	CBE	16.00%
No Measure	SBE	

Reasons for Recommendation

This project meets all the criteria set forth in I.O. 3-32, Section V and I.O. # 3-41.

Attempts were made to establish this Agreement as a Tier 2 Set-Aside, however none of the polled firms (required to be certified in 3.02 and 3.04), responded to the Verification of Availability (meeting the stipulated minimum requirements associated with the scopes of services). However, a sub-consultant 16% Small Business Enterprise - Architectural & Engineering Sub-consultant Goal (SBE-A/E), was counter-recommended.

SBD also concurs with PWWM's recommendation of a No Measure for Small Business Enterprise -Goods & Services (SBE-Goods & Services); as the prime will be required to perform ALL Non-A&E scopes of services.
