---

We respectfully request that you review the attached recommendation for CWP and CSBE goals.

**General Descriptions of Work:**

Furnish all labor, equipment and materials required to: Install a fully operational LED Driveway Lighting System at Ruben Dario Park.

**Department Recommendation:**

The Department is recommending a No-Measure for this particular project due to the CDBG federal funding source grant involved in the project. CDBG does not allow the use of CSBE's, CWP, or a closed list of bidders as required by the MCC 7040 contract. This project will have to go through the MCC 7360 contract and be publicly advertised.

Thank you in advance for your cooperation.
