Parks, Recreation and Open Spaces Department *JG*

Subject: Multiple Parks - Boat Pump Out Project – Project #118241A

We respectfully request that you review the attached recommendation for a CSBE No-Measure.

General Descriptions of Work:

Furnish all labor, equipment and materials required to: Replace existing boat pump-out equipment at six (6) marinas. The Marinas are as follows: 1. Haulover Marina Point, 2. Pelican Harbor Marina, 3. Crandon Marina, 4. Matheson Marina, 5. Blackpoint Marina and 6. Homestead Bayfront Marina.

Project Criteria:

This project contains Federal Grant monies that require the following:

- Full and open competitive bidding
- No State or Local Government Geographical Preferences
- A Bid Bond, and Performance and Payment Bond (Project Estimate is \$109K) which will require SBD authorization prior to proceeding with Bonds.

An analysis of the CSBE Program Ordinance 97-52 as Amended by A.O 3-22 has been conducted and the Department suggests a CSBE **No-Measure** due to the Federal requirements contained in the funding guidelines. The Department further suggests using the 7360 contract to be able to conform to Federal requirements.

Thank you in advance for your cooperation.
