Good morning,

Find attached the RC input document request for this project RPQ P0111. At the present moment, there is Non CSBE Asbestos contractor on the MCC-7040 Program. Even though that this is a very small project but due to the hazard conditions only can be executed by this trade. Please review it and advise if any other documentation is required.

Thank you,

William,

Yes it will be 7360 and you need to provide me with the same documents (scope, estimate, RC input doc and memo).

Any other question please contact me.

Good Afternoon, Ileana

Could you please advise of how to proceed on the Asbestos Projects. At the present moment, there is none asbestos Contractor on the MCC 7040-Program and I have a small project with an estimate of \$ 8,000.00. Can I proceed with MCC-7360 contract or I need to provide you with a RC input document, and continue with the standard procedure. Please advise.

Your Prompt attention on this matter will be highly appreciated.

Thank you,
