1.2 Definitions

The following words and expressions used in this Solicitation shall be construed as follows, except when it is clear from the context that another meaning is intended:

1. The word "Contractor" to mean the Proposer that receives any award of a contract from the County as a result of this Solicitation, also to be known as "the prime Contractor".
2. The word "County" to mean Miami-Dade County, a political subdivision of the State of Florida.
3. The word "Proposer" to mean the person, firm, entity or organization, as stated on Form A-1, submitting a response to this Solicitation.
4. The words "Scope of Services" to mean Section 2.0 of this Solicitation, which details the work to be performed by the Contractor.
5. The word "Solicitation" to mean this Request for Proposals (RFP) or Request for Qualifications (RFQ) document, and all associated addenda and attachments.
6. The word "Subcontractor" to mean any person, firm, entity or organization, other than the employees of the Contractor, who contracts with the Contractor to furnish labor, or labor and materials, in connection with the Services to the County, whether directly or indirectly, on behalf of the Contractor.
7. The words "Work", "Services", "Program", or "Project" to mean all matters and things that will be required to be done by the Contractor in accordance with the Scope of Services and the terms and conditions of this Solicitation.

1.3 General Proposal Information

The County may, at its sole and absolute discretion, reject any and all or parts of any or all responses; accept parts of any and all responses; further negotiate project scope and fees; postpone or cancel at any time this Solicitation process; or waive any irregularities in this Solicitation or in the responses received as a result of this process. A proposal shall be the Proposer's firm commitment to provide the goods and services solicited in the manner requested in the Solicitation and described in the proposal. In the event that a Proposer wishes to take an exception to any of the terms of this Solicitation, the Proposer shall clearly indicate the exception in its proposal. No exception shall be taken where the Solicitation specifically states that exceptions may not be taken. Further, no exception shall be allowed that, in the County's sole discretion, constitutes a material deviation from the requirements of the Solicitation. Proposals taking such exceptions may, in the County's sole discretion, be deemed nonresponsive. The County reserves the right to request and evaluate additional information from any respondent regarding respondent's responsibility after the submission deadline as the County deems necessary.

Proposals shall be irrevocable until contract award unless the proposal is withdrawn. A proposal may be withdrawn in writing only, addressed to the County contact person for this Solicitation, prior to the proposal due date or upon the expiration of 180 calendar days after the opening of proposals.

Proposers are hereby notified that all information submitted as part of, or in support of proposals will be available for public inspection after opening of proposals, in compliance with Chapter 119, Florida Statutes, popularly known as the "Public Record Law". The Proposer shall not submit any information in response to this Solicitation which the Proposer considers to be a trade secret, proprietary or confidential. The submission of any information to the County in connection with this Solicitation shall be deemed conclusively to be a waiver of any trade secret or other protection, which would otherwise be available to Proposer. In the event that the Proposer submits information to the County in violation of this restriction, either inadvertently or intentionally, and clearly identifies that information in the proposal as protected or confidential, the County may, in its sole discretion, either (a) communicate with the Proposer in writing in an effort to obtain the Proposer's written withdrawal of the confidentiality restriction or (b) endeavor to redact and return that information to the Proposer as quickly as possible, and if appropriate, evaluate the balance of the proposal. Under no circumstances shall the County request the withdrawal of the confidentiality restriction if such communication would in the County's sole discretion give to such Proposer a competitive advantage over other proposers. The redaction or return of information pursuant to this clause may render a proposal non-responsive.

Any Proposer who, at the time of proposal submission, is involved in an ongoing bankruptcy as a debtor, or in a reorganization, liquidation, or dissolution proceeding, or if a trustee or receiver has been appointed over all or a substantial portion of the property of the Proposer under federal bankruptcy law or any state insolvency law, may be found non-responsive. To request a copy of any ordinance, resolution and/or administrative order cited in this Solicitation, the Proposer must contact the Clerk of the Board at (305) 375-5126.

1.4 **Cone of Silence**

Pursuant to Section 2-11.1(t) of the Miami-Dade County Code, as amended, a "Cone of Silence" is imposed upon each RFP or RFQ after advertisement and terminates at the time a written recommendation is issued. The Cone of Silence prohibits any communication regarding RFPs or RFQs between, among others:

- potential Proposers, service providers, lobbyists or consultants **and** the County's professional staff including, but not limited to, the County Mayor and the County Mayor's staff, County Commissioners or their respective staffs;
- the County Commissioners or their respective staffs **and** the County's professional staff including, but not limited to, the County Mayor and the County Mayor's staff; or
- potential Proposers, service providers, lobbyists or consultants, any member of the County's professional staff, the Mayor, County Commissioners or their respective staffs **and** any member of the respective selection committee.

The provisions do not apply to, among other communications:

- oral communications with the staff of the Vendor Assistance Unit, the responsible Procurement Agent or Contracting Officer, provided the communication is limited strictly to matters of process or procedure already contained in the solicitation document;
- oral communications at pre-proposal conferences, oral presentations before selection committees, contract negotiations during any duly noticed public meeting, public presentations made to the Board of County Commissioners during any duly noticed public meeting; or
- communications in writing at any time with any county employees, official or member of the Board of County Commissioners unless specifically prohibited by the applicable RFP or RFQ documents.

When the Cone of Silence is in effect, all potential vendors, service providers, bidders, lobbyists and consultants shall file a copy of any written correspondence concerning the particular RFP or RFQ with the Clerk of the Board, which shall be made available to any person upon request. The County shall respond in writing (if County deems a response necessary) and file a copy with the Clerk of the Board, which shall be made available to any person upon request. Written communications may be in the form of e-mail, with a copy to the Clerk of the Board at clerkbcc@miamidade.gov.

1.5 Public Entity Crimes

Pursuant to Paragraph 2(a) of Section 287.133, Florida Statutes, a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal for a contract to provide any goods or services to a public entity; may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work; may not submit proposals on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and, may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

1.6 Lobbyist Contingency Fees

- a) In accordance with Section 2-11.1(s) of the Code of Miami-Dade County, after May, 16, 2003, no person may, in whole or in part, pay, give or agree to pay or give a contingency fee to another person. No person may, in whole or in part, receive or agree to receive a contingency fee.
- b) A contingency fee is a fee, bonus, commission or non-monetary benefit as compensation which is dependent on or in any way contingent upon the passage, defeat, or modification of 1) any ordinance, resolution, action or decision of the County Commission, 2) any action, decision or recommendation of the County Mayor or any County board or committee, or 3) any action, decision or recommendation of any County personnel during the time period of the entire decision-making process regarding such action, decision or recommendation which foreseeable will be heard or reviewed by the County Commission or a County board or committee.

1.7 Collusion

In accordance with Section 2-8.1.1 of the Code of Miami-Dade County, where two (2) or more related parties, as defined herein, each submit a proposal for any contract, such proposals shall be presumed to be collusive. The foregoing presumption may be rebutted by the presentation of evidence as to the extent of ownership, control and management of such related parties in preparation and submittal of such proposals. Related parties shall mean Proposer or the principals thereof which have a direct or indirect ownership interest in another Proposer for the same contract or in which a parent company or the principals thereof of one Proposer have a direct or indirect ownership interest in another Proposer for the same contract. Proposals found to be collusive shall be rejected. Proposers who have been found to have engaged in collusion may be considered non-responsible, and may be suspended or debarred, and any contract resulting from collusive bidding may be terminated for default.

1.8 Expedited Purchasing Program

Pursuant to Ordinance 07-49, the County has created a pilot program for expedited purchasing, subject to terms and conditions as outlined in Section 2-8.1.6 of the Code of Miami-Dade County. The program shall be referred to as the Expedited Purchasing Program (EPP). Due to the expedited nature of County projects issued under the EPP, participating vendors should anticipate a shortened solicitation timeline for responding. Technical, professional and legal staff may be used to determine best value as set forth in the solicitation documents without the need to utilize the formal Selection Committee process established by the County. The County Mayor's or designee's written recommendation to award a contract under the EPP shall be sufficient to commence the bid protest period and terminate the Cone of Silence. Any legislation contrary to the provisions of the EPP shall be deemed suspended or amended as necessary to give effect to the intent of this ordinance during its effective term.

2.0 SCOPE OF SERVICES

2.1 Background

Miami-Dade Public Library System (MDPLS) has 49 branch locations and two bookmobiles, serving more than 8 million visitors each year. Patrons of MDPLS have access to a collection of more than 3.8 million books and materials, 1735 public computers, 120 Self-Checkout machines, Wi-Fi at every location, and a wide range of

digital resources, including downloadable e-books, audio books, music and videos. MDPLS offer over 150 databases, covering areas such as health, biography, psychology, science and technology, and travel and careers, and provide more than one thousand literary, cultural and educational programs each month. PDPLS continues to be a leader in its class, earning the 2008 National Medal for Museum and Library Services, the nation's highest honor for museums and libraries.

The funding model for MDPLS is that of a special taxing district. Currently, four cities (Hialeah, North Miami, North Miami Beach and Miami Shores) maintain their own municipal public libraries, and are not part of the special taxing district. In consideration of establishing a Countywide taxing model, the County is requesting proposals from qualified consultants to analyze all the available libraries services within the special taxing districts and conduct a feasibility study to assess the real and substantial benefits provided by the MDPLS to cities not in the special taxing district.

The study must focus on the following critical questions:

- 1) What are the benefits of the **indirect** services and resources provided by MDPLS?
- 2) What are the benefits of the **direct** services and resources provided by MDPLS?
- 3) What are the benefits of the **future planned** services and resources provided by MDPLS?

The study must include, but not limited to, the collection and reporting of current comparable data from MDPLS and municipal libraries in the County.

2.2 Preferred Qualification Requirements

The selected Proposer should have:

- 1) A minimum of three years recent experience in performing similar studies for municipal libraries or library systems in special taxing districts. More specifically, this experience shall include the use of nationally recognized relief factors and methodologies for determining results and making comparisons between library systems.
- 2) Knowledge of public library operations and services.
- 3) Knowledge of government funding.
- 4) Verifiable experience in data collection and analysis.
- 5) Excellent written and communication skills.
- 6) Membership in and affiliations with professional library associations.

2.3 Required Services and Deliverables

The Library Analysis Report must be completed in its entirety and accepted by the County no later than _____, 2013. Teleconferencing or other electronic communication between the selected Proposer and the County may occur periodically, or as required by the County Project Manager.

The County's Project Manager will review all draft interim reports and provide the selected Proposer with feedback within seven (7) working days of receipt of said documents. The selected Proposer shall provide one hard copy and one CD, or other approved format, of the final individual report, after incorporating County's feedback. Said documentation will be submitted to the County Project Manager, no later than fourteen (14) working days after the County has returned the initial draft report to the selected Proposer.

A. Project Planning Meeting

The selected Proposer shall participate in an in-person project planning meeting with the County. The project planning meeting will be scheduled by the County Project Manager. The County will issue a Notice to Proceed (NTP) when the contract award requirements have been met. The project planning meeting with County staff shall take place after the award of the Contract, but no later than five (5) days after the NTP.

In order to allow the County to prepare the data sources that may be required for the tasks herein, the selected Proposer shall submit a draft Plan of Action to the County's Project Manager for review and

approval at the project planning meeting. The selected Proposer shall work closely with the County Project Manager to finalize the Plan of Action. The Plan of Action should include a detailed project work plan, timelines, deliverables and monitoring procedures that will result in a successful assessment.

The County will review and submit its recommendations on the draft Plan of Action, no later than five (5) days after the project planning meeting. The selected Proposer shall incorporate the County's recommendations therein, and shall provide one electronic copy of the Final Plan of Action to the County Project Manager no later than five (5) days after the receipt of the County's final recommendations.

Upon approval of the Plan of Action by the County, the remaining tasks, as outlined below shall commence immediately.

B. Tasks:

In order to assess and summarize the future and evolving user needs, as well as the capabilities of the MDPLS to meet those needs, professional assistance is needed to accomplish the following scope of work.

The selected Proposer shall:

- 1) Facilitate collaborative meetings between the four cities that maintain their own municipal public libraries (Hialeah, North Miami, North Miami Beach and Miami Shores); Director of the MDPLS; President of the Friends of the Library, Miami-Dade Library Advisory Board; and other stakeholders
- 2) Conduct an initial survey of County residents to determine public perception of the existing library direct and indirect services and resources. A second survey shall be conducted to assess public support for future planned services.
- 3) Based on the information gathered from the public surveys and meetings, identify desired and realistic types of improved or new library services that would be available to residents of the County through the special taxing districts. Identify needs that are not currently being met and areas of the County that are underserved in public library services.
- 4) Work with the County Finance office to identify revenues that a collaboration effort would generate annually, based on current and projected tax valuation, how the district would be affected, and what impact a collaboration would have on the average household in the County.
- 5) Provide material to educate the public about the benefits of the direct, indirect and future planned services and resources provided by MDPLS, or other proposals and its potential public services or impacts.
- 6) Develop a public presentation to be presented to stakeholders.
- 7) Conduct a legal review of the study.

C. Deliverables

Using the analysis produced from Section B., Tasks above, the selected Proposer shall submit an electronic copy or other approved format of the Draft Library Analysis Report to the County Project Manager, for review and comment, no later than _____, 2013.

The County Project Manager will review the draft report submitted to the County and provide feedback to the selected Proposer within fourteen (14) days of receipt of the draft Report.

The Selected Proposer shall submit one (1) original, and one (1) electronic copy, or other approved format, of the Final Staffing Analysis Report, to the County Project Manager, after incorporating the County's feedback. The Final Library Analysis Report shall be submitted within fourteen (14) days, but no later than _____, 2013, after the County has returned the initial draft report with feedback to the selected Proposer.

2.4 County Responsibilities

The County will provide assistance to the consultant in coordinating and conducting the public meetings, conducting public relations efforts, providing needed resources when possible, and making copies of documents for public meetings when possible.

2.5 Payment Schedule

All payments are contingent upon completion of the required tasks. Completion of a task shall be measured as fulfillment of all services required for that action, including submission to, and final acceptance by the County of any deliverable for the action, unless otherwise negotiated.

An initial payment of up to 30% of the contract amount, for services rendered will be made upon approval of the Plan of Action (see Section 2.3(A) above), by the County's Project Manager or designee. The remaining balance, 70% of the Work Order amount, for services rendered will be paid upon completion, defined as the completion of all assigned tasks and the acceptance of the Final Library Analysis Report as applicable by the County's Project Manager

3.0 RESPONSE REQUIREMENTS

3.1 Submittal Requirements

In response to this Solicitation, Proposer should **return the entire completed Proposal Submission Package** (see attached). Proposers should carefully follow the format and instructions outlined therein. All documents and information must be fully completed and signed as required.

The proposal shall be written in sufficient detail to permit the County to conduct a meaningful evaluation of the proposed services. However, overly elaborate responses are not requested or desired.

4.0 EVALUATION PROCESS

4.1 Review of Proposals for Responsiveness

Each proposal will be reviewed to determine if the proposal is responsive to the submission requirements outlined in this Solicitation. A responsive proposal is one which follows the requirements of this Solicitation, includes all documentation, is submitted in the format outlined in this Solicitation, is of timely submission, and has the appropriate signatures as required on each document. Failure to comply with these requirements may result in the proposal being deemed non-responsive.

4.2 Evaluation Criteria

Proposals will be evaluated by an Evaluation/Selection Committee which will evaluate and rank proposals on criteria listed below. The Evaluation/Selection Committee will be comprised of appropriate County personnel and members of the community, as deemed necessary, with the appropriate experience and/or knowledge, striving to ensure that the Evaluation/Selection Committee is balanced with regard to both ethnicity and gender. The criteria are itemized with their respective weights for a maximum total of one hundred (100) points per Evaluation/Selection Committee member.

<u>Technical Criteria</u>	<u>Points</u>
1. Proposer's relevant experience, qualifications, and past Performance	40
2. Relevant experience and qualifications of key personnel, including key personnel of subcontractors, that will be assigned to this project, and experience and qualifications of subcontractors	15
3. Proposer's approach to providing the services requested in this Solicitation	35
 <u>Price Criteria</u>	 <u>Points</u>

4. Proposer's proposed price

10

4.3 Oral Presentations

Upon completion of the criteria evaluation indicated above, rating and ranking, the Evaluation/Selection Committee may choose to conduct an oral presentation with the Proposer(s) which the Evaluation/Selection Committee deems to warrant further consideration based on, among other considerations, scores in clusters and/or maintaining competition. (See **Form A-2** regarding registering speakers in the proposal for oral presentations.) Upon completion of the oral presentation(s), the Evaluation/Selection Committee will re-evaluate, re-rate and re-rank the proposals remaining in consideration based upon the written documents combined with the oral presentation.

4.4 Selection Factor

This Solicitation includes a selection factor for Miami-Dade County Certified Small Business Enterprises (SBE's) as follows. A SBE/Micro Business Enterprise is entitled to receive an additional ten percent (10%) of the total technical evaluation points on the technical portion of such Proposer's proposal. An SBE/Micro Business Enterprise must be certified by Small Business Development for the type of goods and/or services the Proposer provides in accordance with the applicable Commodity Code(s) for this Solicitation. For certification information contact Small Business Development at (305) 375-2378 or access <http://new.miamidade.gov/business/business-development.asp>. The SBE/Micro Business Enterprise must be certified by proposal submission deadline, at contract award, and for the duration of the contract to remain eligible for the preference. Firms that graduate from the SBE program during the contract may remain on the contract.

4.5 Local Certified Service-Disabled Veteran's Business Enterprise Preference

This Solicitation includes a preference for Miami-Dade County Local Certified Service-Disabled Veteran Business Enterprises in accordance with Section 2-8.5.4 of the Code of Miami-Dade County. A VBE is entitled to receive an additional five percent (5%) of the total technical evaluation points on the technical portion of such Proposer's proposal. If a Miami-Dade County Certified Small Business Enterprise (SBE) measure is being applied to this Solicitation, a VBE which also qualifies for the SBE measure shall not receive the veteran's preference provided in this section and shall be limited to the applicable SBE preference.

4.6 Price Evaluation

The price proposal will be evaluated subjectively in combination with the technical proposal, including an evaluation of how well it matches Proposer's understanding of the County's needs described in this Solicitation, the Proposer's assumptions, and the value of the proposed services. The pricing evaluation is used as part of the evaluation process to determine the highest ranked Proposer. The County reserves the right to negotiate the final terms, conditions and pricing of the contract as may be in the best interest of the County.

4.7 Local Preference

The evaluation of competitive solicitations is subject to Section 2-8.5 of the Miami-Dade County Code, which, except where contrary to federal or state law, or any other funding source requirements, provides that preference be given to local businesses (see **Form A-4**). If, following the completion of final rankings by the Evaluation/Selection Committee, a non-local Proposer is the highest ranked responsive and responsible Proposer, and the ranking of a responsive and responsible local Proposer is within 5% of the ranking obtained by said non-local Proposer, then the Evaluation/Selection Committee will recommend that a contract be negotiated with said local Proposer.

4.8 Negotiations

The County may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the Proposer's best terms from a monetary and technical standpoint.

The Evaluation/Selection Committee will evaluate, score and rank proposals, and submit the results of their evaluation to the County Mayor or designee, with their recommendation. The County Mayor or designee will determine with which Proposer(s) the County shall negotiate, if any, taking into consideration the Local

Preference Section above. The County Mayor or designee, at their sole discretion, may direct negotiations with the highest ranked Proposer, negotiations with multiple Proposers, and/or may request best and final offers. In any event the County engages in negotiations with a single or multiple Proposers and/or requests best and final offers, the discussions may include price and conditions attendant to price.

Notwithstanding the foregoing, if the County and said Proposer(s) cannot reach agreement on a contract, the County reserves the right to terminate negotiations and may, at the County Mayor's or designee's discretion, begin negotiations with the next highest ranked Proposer(s). This process may continue until a contract acceptable to the County has been executed or all proposals are rejected. No Proposer shall have any rights against the County arising from such negotiations or termination thereof.

Any Proposer recommended for negotiations shall complete a Collusion Affidavit, in accordance with Sections 2-8.1.1 of the Miami-Dade County Code. (If a Proposer fails to submit the required Collusion Affidavit, said Proposer shall be ineligible for award.)

Any Proposer recommended for negotiations may be required to provide to the County:

- a) Its most recent certified business financial statements as of a date not earlier than the end of the Proposer's preceding official tax accounting period, together with a statement in writing, signed by a duly authorized representative, stating that the present financial condition is materially the same as that shown on the balance sheet and income statement submitted, or with an explanation for a material change in the financial condition. A copy of the most recent business income tax return will be accepted if certified financial statements are unavailable.

4.9 Contract Award

Any contract, resulting from this Solicitation, will be submitted to the County Mayor or designee for approval. All Proposers will be notified in writing when the County Mayor or designee makes an award recommendation. The Contract award, if any, shall be made to the Proposer whose proposal shall be deemed by the County to be in the best interest of the County. Notwithstanding the rights of protest listed below, the County's decision of whether to make the award and to which Proposer shall be final.

4.10 Rights of Protest

A recommendation for contract award or rejection of all proposals may be protested by a Proposer in accordance with the procedures contained in Sections 2-8.3 and 2-8.4 of the County Code, as amended, and as established in Implementing Order No. 3-21.

5.0 TERMS AND CONDITIONS

The anticipated form of agreement is attached. The terms and conditions summarized below are of special note and can be found in their entirety in the agreement:

a) Vendor Registration

Prior to being recommended for award, the Proposer shall complete a Miami-Dade County Vendor Registration Package. Effective June 1, 2008, the new Vendor Registration Package, including a Uniform Affidavit Packet (Affidavit form), must be completed. The recommended Proposer shall affirm that all information submitted with its Vendor Registration Package is current, complete and accurate, at the time they submitted a response to the Solicitation, by completing an Affirmation of Vendor Affidavit form.

b) Insurance Requirements

The Contractor shall furnish to the County, Internal Services Department, Procurement Management Division, prior to the commencement of any work under any agreement, Certificates of Insurance which indicate insurance coverage has been obtained that meets the stated requirements.

c) **Inspector General Reviews**

According to Section 2-1076 of the Code of Miami-Dade County, as amended by Ordinance No. 99-63, Miami-Dade County has established the Office of the Inspector General which may, on a random basis, perform audits on all County contracts, throughout the duration of said contracts, except as otherwise indicated. The cost of the audit, if applicable, shall be one quarter (1/4) of one (1) percent of the total contract amount and the cost shall be included in any proposed price. The audit cost will be deducted by the County from progress payments to the Contractor, if applicable.

d) **User Access Program**

Pursuant to Section 2-8.10 of the Miami-Dade County Code, any agreement issued as a result of this Solicitation is subject to a user access fee under the County User Access Program (UAP) in the amount of two percent (2%). All sales resulting from this Solicitation and the utilization of the County contract price and the terms and conditions identified therein, are subject to the two percent (2%) UAP.

Hi Vivian

This project is being sent on behalf of Lydia Osborne. Attached is the Scope of Services for a consultant to conduct a Miami-Dade Public Library System study please review and advise the SBE measure to be applied. A copy of the input doc/project measures worksheet is also attached. The approximate cost for the one (1) year term is \$70,000. My recommendation is a Selection Factor.

Thanks.
