SBD has completed its analysis of the subject project. Based on our conversation (and clarification) provided, the award of this contract will not be to **Groups** or **Sectors**, but will be to a **"Single"** proposer, responsible for all the "Scopes of Services". While a SBE Set-Aside was not considered based on the minimum and special requirements and the complexity of the "scopes of services", a sub-consultant goal is appropriate.

Please respond with a confirmation as to your **"concurrence"** or **"dissent"** to a **15% SBE Goal**.

If you concur, please proceed with the **"Procurement Process"** for the subject project. The signed worksheet with the **"15% SBE Goal"** will be forwarded once available;

Advise as to any **"error, omissions, and/or misunderstanding"**.

Regards,

Vivian O. Walters, Jr.

Vivian:

Just to clarify our phone conversation, this is a solicitation where the proposer will propose on the entire scope of services to provide armed guard security to MDT facilities. It is not broken up in segments where a proposer can apply for one location and not another.

Also, the solicitation does not preclude the inclusion of any subcontractor goal.

Let me know if you need anything else.
Lydia

Make it a great day!!!!
