SBD is in the process of "Reviewing and Analyzing" the subject project for SBE Measures. There are a limited amount of firms certified in the required Commodity Code covering the applicable "Scopes of Services"; as such, before conducting a complete "Verification of Availability", I doing a cursory review.

Please review the attached document, the scope, equipment and all related products for this contract, and the associated requirements and respond as to your ability to meet the same...(based on the responses, a complete "Verification" will be conducted.

\*\*\*FYI – you are not required to provide any pricing at this point.
