TERM OF CONTRACT: 20 Years (Contract period 6/16/1998 – 6/16/2018)

Requisition/Project Title: 27 Ft. Rapid Response Fire Rescue Safe Boat

Description: The Miami-Dade Fire Department (MDFR) Marine Operations Bureau (MOB) is in need of one Rapid Response Fire Rescue vessels (RRFRV). MDFR-MOB has requested to purchase one Safe 27 Ft. X 10 Ft. walk around cabin boat. This RRFRV Safe Boat will be operated in unpredictable sea and weather conditions, along the coastline and inland waterways of Miami-Dade County Florida. This Safe boat will provide infrastructure protection activities at the Port of Miami and Port of Miami River. MDFR received a grant from the Department of Homeland Security to purchase the Safe Boat for this fiscal year 2013/2014.

# Memorandum

**DATE:** September 18, 2012  
**TO:** Genaro "Chip" Iglesias  
Chief of Staff/Deputy Mayor  
**FROM:** William W. Bryson, Director  
Miami-Dade Fire Rescue Department *William Bryson*  
**SUBJECT:** FY 2012 Port Security Grant Program EMW-2012-PU-00451

**Request:**

This memorandum requests the County Mayor or his designee to approve the attached copy of the grant agreement number EMW-2012-PU-00451 in the amount of \$240,000.00. These funds are awarded by the Department of Homeland Security (DHS) FY 2012 Port Security Grant Program (PSGP) to the Miami-Dade Fire Rescue Department (MDFR) for a Chemical, Biological, Radiological, Nuclear, and Explosives (CBRNE) Marine Response Vessel. This vessel will enable MDFR to protect Critical Infrastructure and Key Resources (CI/KR), residents, and visitors from a variety of emergencies and threats on or near the waterways. The vessel will also support a variety of CBRNE operations primarily at and near the Port of Miami and the Port of Miami River, but remain deployable throughout the South Florida Region.

**Description:**

The FY 2012 PSGP provides federal funding for the implementation of infrastructure protection activities at the Port of Miami. DHS priorities are to enhance Maritime Domain Awareness (MDA), enhance Improvised Explosive Device (IED) and Chemical, Biological, Radiological, Nuclear, Explosive (CBRNE) prevention, protection, response and supporting recovery capabilities, Port Resilience and Recovery Capabilities, Training and Exercises, as well as efforts supporting implementation of the Transportation Worker Identification Credential (TWIC) program throughout the Port of Miami.

**Authority:**

Attached is the Board of County Commissioners approved Resolution R-390-05, authorizing the application, receipt, and expenditure of State and Federal funds for port security projects.

Please approve and return the signed agreement to:

Re: Grant No. EMW-2012-PU-00451

Dear Genaro Iglesias:

Congratulations, on behalf of the Department of Homeland Security. Your grant application submitted under the FY 2012 Port Security Grant Program has been approved. The approved project costs amount to \$240,000.00 .

As part of your award package, you will find Grant Agreement Articles. Please make sure you read and understand the Articles as they outline the terms and conditions of your Grant award. Maintain a copy of these documents for your official file.

**Before you request and receive any of the Federal Grant funds awarded to you, you must establish acceptance of the Grant and Grant Agreement Articles.**

In order to establish acceptance of the Grant and Grant Agreement Articles, please follow these instructions:

**Step 1:** Please go on-line to the ND Grants system at <https://portal.fema.gov>. After logging in, you will see a subtitle **Grants Management**. Under this subtitle, you will see a link that says **Award Package(s)**. Click this link to access your award packages. Click the **Review Award Package** link to review and accept the award package for your award. Please print your award package for your records.

**Step 2:** Please fill out and have your bank complete and sign the SF1199A, Direct Deposit Sign-up Form. The SF1199A should be sent directly from your financial institution to the FEMA Finance Center, via fax or mail to the Vendor Maintenance Office (see address below). The 1199A form will not be accepted unless it is received directly from the financial institution. Please pay careful attention to the instructions on the form.

FEMA Finance Center  
Attn: Vendor Payments  
P.O. Box 9001  
Winchester, VA 22604  
Fax Number: (540) 504-1857

If you have any questions or concerns regarding the process to request your grant funds, please call 1-866-927-5646.

Handwritten signature of Elizabeth M. Harman in cursive.

**Article I - Summary Description of Project**

Project 1: CBRNE Marine Response Vessel is approved for funding in the amount of \$180,000.

**Article II - Administrative Requirements**

The administrative requirements that apply to most DHS award recipients through a grant or cooperative agreement arise from two sources: - Office of Management and Budget (OMB) Circular A-102, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments (also known as the "A-102 Common Rule"), found under FEMA regulations at Title 44, Code of Federal Regulations (CFR) Part 13, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments." - OMB Circular A-110, Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations, relocated to 2 CFR Part 215. The requirements for allowable costs/cost principles are contained in the A-102 Common Rule, OMB Circular A-110 (2 CFR § 215.27), DHS program legislation, Federal awarding agency regulations, and the terms and conditions of the award. The four costs principles circulars are as follows: - OMB Circular A-21, Cost Principles for Educational Institutions, relocated to 2 CFR Part 220. - OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments, relocated to 2 CFR Part 225. - OMB Circular A-122, Cost Principles for Non-Profit Organizations, relocated to 2 CFR Part 230. - OMB Circular A-133, Audits of States, Local Governments and Non-Profit Organizations.

**Article III - GPD - Trafficking Victims Protection Act of 2000**

All recipients of financial assistance will comply with the requirements of the government-wide award term which implements Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. § 7104), located at 2 CFR Part 175. This is implemented in accordance with OMB Interim Final Guidance, Federal Register, Volume 72, No. 218, November 13, 2007. In accordance with the statutory requirement, in each agency award under which funding is provided to a private entity, Section 106(g) of the TVPA, as amended, requires the agency to include a condition that authorizes the agency to terminate the award, without penalty, if the recipient or a subrecipient - (a) Engages in severe forms of trafficking in persons during the period of time that the award is in effect; (b) Procures a commercial sex act during the period of time that the award is in effect; or (c) Uses forced labor in the performance of the award or subawards under the award. Full text of the award term is provided at 2 CFR § 175.15.

**Article IV - GPD - Drug-Free Workplace Regulations**

All recipients of financial assistance will comply with the requirements of the Drug-Free Workplace Act of 1988 (41 U.S.C. § 701 et seq.), which requires that all organizations receiving grants from any Federal agency agree to maintain a drug-free workplace. The recipient must notify the awarding office if an employee of the recipient is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for debarment. These regulations are codified at 2 CFR 3001.

**Article V - Fly America Act of 1974**

All recipients of financial assistance will comply with the requirements of the Preference for U.S. Flag Air Carriers: Travel supported by U.S. Government funds requirement, which states preference for the use of U.S. flag air carriers (air carriers holding certificates under 49 U.S.C. § 41102) for international air transportation of people and property to the extent that such service is available, in accordance with the International Air Transportation Fair Competitive Practices Act of 1974 (49 U.S.C.

§ 40118) and the interpretative guidelines issued by the Comptroller General of the United States in the March 31, 1981, amendment to Comptroller General Decision B138942.

#### **Article VI - Lobbying Prohibitions**

None of the funds provided under an award may be expended by the recipient to pay any person to influence, or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any Federal action concerning the award or renewal of any Federal contract, grant, loan, cooperative agreement. These lobbying prohibitions can be found at 31 U.S.C. § 1352.

#### **Article VII - Activities Conducted Abroad**

All recipients of financial assistance will comply with the requirements that project activities carried on outside the United States are coordinated as necessary with appropriate government authorities and that appropriate licenses, permits, or approvals are obtained.

#### **Article VIII - Acknowledgement of Federal Funding from DHS**

All recipients of financial assistance will comply with requirements to acknowledge Federal funding when issuing statements, press releases, requests for proposals, bid invitations, and other documents describing projects or programs funded in whole or in part with Federal funds.

#### **Article IX - Copyright**

All recipients of financial assistance will comply with requirements that publications or other exercise of copyright for any work first produced under Federal financial assistance awards hereto related unless the work includes any information that is otherwise controlled by the Government (e.g., classified information or other information subject to national security or export control laws or regulations). For any scientific, technical, or other copyright work based on or containing data first produced under this award, including those works published in academic, technical or professional journals, symposia proceedings, or similar works, the recipient grants the Government a royalty-free, nonexclusive and irrevocable license to reproduce, display, distribute copies, perform, disseminate, or prepare derivative works, and to authorize others to do so, for Government purposes in all such copyrighted works. The recipient shall affix the applicable copyright notices of 17 U.S.C. § 401 or 402 and an acknowledgement of Government sponsorship (including award number) to any work first produced under an award.

#### **Article X - Use of DHS Seal, Logo and Flags**

All recipients of financial assistance must obtain DHS's approval prior to using the DHS seal(s), logos, crests or reproductions of flags or likenesses of DHS agency officials, including use of the United States Coast Guard seal, logo, crests or reproductions of flags or likenesses of Coast Guard officials.

#### **Article XI - DHS Specific Acknowledgements and Assurances**

All recipients of financial assistance must acknowledge and agree-and require any subrecipients, contractors, successors, transferees, and assignees acknowledge and agree-to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff. 1. Recipients must cooperate with any compliance review or complaint investigation conducted by DHS. 2. Recipients must give DHS access to and the right to examine and copy records, accounts, and other documents and sources of information related to the grant and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by DHS regulations and other applicable laws or program guidance. 3. Recipients must submit timely, complete, and accurate reports to the appropriate DHS officials and maintain appropriate backup documentation to support the reports. 4. Recipients must comply with all other special reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance. 5. If, during the past three years, the recipient has been accused of discrimination on the grounds of race, color, national origin (including limited English proficiency), sex, age, disability, religion, or familial status, the recipient must provide a list of all such proceedings, pending or completed, including outcome and copies of settlement agreements to the DHS awarding office and the DHS Office of Civil Rights and Civil Liberties. 6. In the event any court or administrative agency makes a finding of discrimination on grounds of race, color, national origin (including limited English proficiency), sex, age, disability, religion, or familial status against the recipient, or the recipient settles a case or matter alleging such discrimination, recipients must forward a copy of the complaint and findings to the DHS Component and/or awarding office. The United States has the right to seek judicial enforcement of these obligations.

#### **Article XII - Civil Rights Act of 1964**

All recipients of financial assistance will comply with the requirements of Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq.), which provides that no person in the United States will, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

#### **Article XIII - Civil Right Act of 1968**

All recipients of financial assistance will comply with Title VIII of the Civil Rights Act of 1968, which prohibits recipients from discriminating in the sale, rental, financing, and advertising of dwellings, or in the provision of services in connection therewith, on the basis of race, color, national origin, religion, disability, familial status, and sex (42 U.S.C. § 3601 et seq.), as implemented by the Department of Housing and Urban Development at 24 CFR Part 100. The prohibition on disability discrimination includes the requirement that new multifamily housing with four or more dwelling units-i.e., the public and common use areas and individual apartment units (all units in buildings with elevators and ground-floor units in buildings without elevators)-be designed and constructed with certain accessible features (see 24 CFR § 100.201).

#### **Article XIV - Americans with Disabilities Act of 1990**

All recipients of financial assistance will comply with the requirements of Titles I, II, and III of the Americans with Disabilities Act, which prohibits recipients from discriminating on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12101-12213).

#### **Article XV - Age Discrimination Act of 1975**

All recipients of financial assistance will comply with the requirements of the Age Discrimination Act of 1975 (42 U.S.C. § 6101 et seq.), which prohibits discrimination on the basis of age in any program or activity receiving Federal financial assistance.

#### **Article XVI - Title IX of the Education Amendments of 1972**

All recipients of financial assistance will comply with the requirements of Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681 et seq.), which provides that no person in the United States will, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving Federal financial assistance. These regulations are codified at 44 CFR Part 19.

#### **Article XVII - Rehabilitation Act of 1973**

All recipients of financial assistance will comply with the requirements of Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, as amended, which provides that no otherwise qualified handicapped individual in the United States will, solely by reason of the handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. These requirements pertain to the provision of benefits or services as well as to employment.

#### **Article XVIII - Limited English Proficiency**

All recipients of financial assistance will comply with the requirements of Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI, recipients must take reasonable steps to ensure that LEP persons have meaningful access to your programs. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. Recipients are encouraged to consider the need for language services for LEP persons served or encountered both in developing budgets and in conducting programs and activities. For assistance and information regarding LEP obligations, go to <http://www.lep.gov>.

#### **Article XIX - Animal Welfare Act of 1966**

All recipients of financial assistance will comply with the requirements of the Animal Welfare Act, as amended (7 U.S.C. § 2131 et seq.), which requires that minimum standards of care and treatment be provided for vertebrate animals bred for commercial sale, used in research, transported commercially, or exhibited to the public. Recipients must establish appropriate policies and procedures for the humane care and use of animals based on the Guide for the Care and Use of Laboratory Animals and comply with the Public Health Service Policy and Government Principles Regarding the Care and Use of Animals.

#### **Article XX - Clean Air Act of 1970 and Clean Water Act of 1977**

All recipients of financial assistance will comply with the requirements of 42 U.S.C. § 7401 et seq. and Executive Order 11738, which provides for the protection and enhancement of the quality of the nation's air resources to promote public health and welfare and for restoring and maintaining the chemical, physical, and biological integrity of the nation's waters is considered research for other purposes.

#### **Article XXI - Protection of Human Subjects**

All recipients of financial assistance will comply with the requirements of the Federal regulations at 45 CFR Part 46, which requires that recipients comply with applicable provisions/law for the protection of human subjects for purposes of research. Recipients must also comply with the requirements in DHS Management Directive 026-04, Protection of Human Subjects, prior to implementing any work with human subjects. For purposes of 45 CFR Part 46, research means a systematic investigation, including research, development, testing, and evaluation, designed to develop or contribute to general knowledge. Activities that meet this definition constitute research for purposes of this policy, whether or not they are conducted or supported under a program that is considered research for other purposes. The regulations specify additional protections for research involving human fetuses, pregnant women, and neonates (Subpart B); prisoners (Subpart C); and children (Subpart D). The use of autopsy materials is governed by applicable State and local law and is not directly regulated by 45 CFR Part 46.

#### **Article XXII - National Environmental Policy Act (NEPA) of 1969**

All recipients of financial assistance will comply with the requirements of the National Environmental Policy Act (NEPA), as amended, 42 U.S.C. § 4331 et seq., which establishes national policy goals and procedures to protect and enhance the environment, including protection against natural disasters. To comply with NEPA for its grant-supported activities, DHS requires the environmental aspects of construction grants (and certain non-construction projects as specified by the Component and awarding office) to be reviewed and evaluated before final action on the application.

#### **Article XXIII - National Flood Insurance Act of 1968**

All recipients of financial assistance will comply with the requirements of Section 1306(c) of the National Flood Insurance Act, as amended, which provides for benefit payments under the Standard Flood Insurance Policy for demolition or relocation of a structure insured under the Act that is located along the shore of a lake or other body of water and that is certified by an appropriate State or local land use authority to be subject to imminent collapse or subsidence as a result of erosion or undermining caused by waves or currents of water exceeding anticipated cyclical levels. These regulations are codified at 44 CFR Part 63.

#### **Article XXIV - Flood Disaster Protection Act of 1973**

All recipients of financial assistance will comply with the requirements of the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. § 4001 et seq.), which provides that no Federal financial assistance to acquire, modernize, or construct property may be provided in identified flood-prone communities in the United States, unless the community participates in the National Flood Insurance Program and flood insurance is purchased within one year of the identification. The flood insurance purchase requirement applies to both public and private applicants for DHS support. Lists of floodprone areas that are eligible for flood insurance are published in the Federal Register by FEMA.

#### **Article XXV - Coastal Wetlands Planning, Protection, and Restoration Act of 1990**

All recipients of financial assistance will comply with the requirements of Executive Order 11990, which provides that federally funded construction and improvements minimize the destruction, loss, or degradation of wetlands. The Executive Order provides that, in furtherance of Section 101(b)(3) of NEPA (42 U.S.C. § 4331(b)(3)), Federal agencies, to the extent permitted by law, must avoid undertaking or assisting with new construction located in wetlands unless the head of the agency finds that there is no practicable alternative to such construction, and that the proposed action includes all practicable measures to minimize harm to wetlands that may result from such use. In making this finding, the head of the agency may take into account economic, environmental, and other pertinent factors. The public disclosure requirement described above also pertains to early public review of any plans or proposals for new construction in wetlands. This is codified at 44 CFR Part 9.

#### **Article XXVI - USA Patriot Act of 2001**

All recipients of financial assistance will comply with the requirements of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act (USA PATRIOT Act), which amends 18 U.S.C. §§ 175-175c. Among other things, it prescribes criminal penalties for possession of any biological agent, toxin, or delivery system of a type or in a quantity that is not reasonably justified by a prophylactic, protective, bona fide research, or other peaceful

purpose. The act also establishes restrictions on access to specified materials. "Restricted persons," as defined by the act, may not possess, ship, transport, or receive any biological agent or toxin that is listed as a select agent.

# Memorandum

Date: April 5, 2005  
To: Honorable Chairman Joe A. Martinez and Members,  
Board of County Commissioners  
From: George W. Burgess  
County Manager  
Subject: Resolution Authorizing the Application, Receipt and Expenditure of Funds from  
Port Security or Mitigation Grants from Any Available State or Federal Funding  
Sources

Agenda Item No. 8(Q)(1)(C)

## RECOMMENDATION

It is recommended that the Board approve the accompanying resolution authorizing the application, receipt and expenditure of grant funds for port security or mitigation grant funds from any available state or federal funding sources.

## BACKGROUND

On April 8, 2003, the Board approved resolution R-332-03, which among other things authorized the receipt and expenditure of grant funds from the Transportation Security Administration ("TSA") Port Security Grants Program. This program has been extremely beneficial for the Port as it has provided more than \$17 million for capital security infrastructure projects.

It is anticipated that, should any additional port security funds become available, they will be handled through the Department of Homeland Security's Office for Domestic Preparedness. However, it is not known at this time if any other port security funds may be handled through other agencies. Additionally, the Port has also been notified that it may qualify for mitigation funds from both state and federal agencies.

Toward this end, it is respectfully requested that the Board authorize the application, receipt and expenditure of funds for these projects from any available state or federal funding sources. Should it be granted, this authorization will expedite the complete grants process and avail the Port of additional funding opportunities.

  
Assistant County Manager

June 16, 1998 through December 12, 2013**

**BUSINESS SIZE:  
Small Business**

Pricelist current through Modification PO-0071, dated July 23, 2013.

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order are available through *GSA Advantage!*™, a menu-driven database system. The Internet address for *GSA Advantage!*™ is <http://www.fss.gsa.gov>. For more information on ordering from Federal Supply Schedules click on the FSS Schedules button at <http://www.fss.gsa.gov>.

**INFORMATION FOR ORDERING ACTIVITIES**

1a. AUTHORIZED SPECIAL ITEM NUMBERS (SINs):

<u>SIN</u>	<u>DESCRIPTION</u>
260-01/260-01RC	Boats, Powered – Includes Parts and Accessories
260-1000/260-1000RC	Ancillary Services Relating to Marine Craft Systems

1b. Lowest Priced Model Number and Price for each SIN: See Price List

1c. SERVICES OFFERED: See Price List

2. MAXIMUM ORDER PER SIN:

<u>SIN</u>	<u>MAXIMUM ORDER</u>
260-01/260-01RC	\$315,000 per SIN/Order
260-1000/260-1000RC	\$315,000 per SIN/Order

*This maximum order threshold is a dollar amount at which it is suggested that the ordering agency request higher discounts from the contractor before issuing the order. The contractor may: (1) Offer a new lower price, (2) Offer the lowest price available under the contract, or (3) Decline the order within five (5) days. In accordance with the Maximum Order provisions contained in the Schedule, a delivery order may be placed against the Schedule contract even though it exceeds the maximum order threshold.*

3. MINIMUM ORDER LIMITATION: 1 Boat

4. GEOGRAPHIC COVERAGE (DELIVERY AREA): Domestic, 48 contiguous states, Washington D.C., and Point of Embarkation to Nearest Coast for Alaska, Hawaii, Puerto Rico, and US Territories.

5. POINT OF PRODUCTION: Bremerton, WA

6. BASIC DISCOUNT: Prices listed are net, discounts have been deducted and the industrial funding fee has been added.

7. QUANTITY DISCOUNT: An additional 1.5% on 3 or more identical model boats including contract options and accessories or 2% for 10 or more identical model boats including options and accessories (not including open market items).

8. PROMPT PAYMENT TERMS: 1%, 20 Days; Net 30 Days ARO

9a. GOVERNMENT PURCHASE CARDS ARE ACCEPTED UP TO THE MICRO-PURCHASE THRESHOLD.

9b. GOVERNMENT PURCHASE CARDS ARE NOT ACCEPTED ABOVE THE MICRO-PURCHASE THRESHOLD.

10. FOREIGN ITEMS: None

11a. TIME OF DELIVERY: 365 Days ARO

11b. EXPEDITED DELIVERY: Contact Contractor

11c. OVERNIGHT AND 2-DAY DELIVERY: Not Applicable

- 11d. URGENT REQUIREMENTS: *None*
12. F.O.B. POINT: *Origin*
- 13a. ORDERING ADDRESS: *Safe Boats International, LLC  
8800 Barney White Road  
Bremerton, WA 98312*
- 13b. ORDERING PROCEDURES: *For supplies and service the ordering procedures, information on Blanket Purchase Agreements (BPAs), and a sample BPA may be found at the GSA/FSS Schedule homepage (gss.gsa.gov/schedule).*
14. PAYMENT ADDRESS: *Same as ordering address*
15. WARRANTY PROVISION: *Standard Commercial Warranty*
16. EXPORT PACKING CHARGES: *Not Applicable*

SBI Product Code	SIN	Description	GSA Price
MKVI-123	260-01	Ballistic Protection: Engineered solution of Polyethylene armor and HHS that protects boat mobility components against 7.62 x 39PS ball (2380 fps @ less than 10'), capable of multiple hit (four impacts on an 8" square with one in the center), when weapon fire originates from 360° around the boat with a bullet trajectory anywhere between horizontal (0°) and top down (90°) descending. Mobility Components defined as: Main Propulsion Plants, Transmissions, shafts, waterjets, Propulsion support systems (cooling, fuel, exhaust, electrical, controls), Fuel Tanks, Battery Bank(s), Control Console, Directional Control Mechanism(s), Electrical and Control Cable Runs, Hydraulics and Critical Auxiliary Machinery. See section 900 for certification requirements. See Armor drawings for details on material types and arrangements. Additional information in proposal Section IV- Requirements Matrix - Amplifying Information. Design IAW NSWCCD-23-TM-2009/68 - US NAVY CRAFT ARMOR INTEGRATION GUIDANCE	\$576,236.00
490BA	260-01	RCB Ballistics Package	\$470,552.95
MKVI-121a	260-01	Ballistic Protection: Engineered solution of polyethylene armor kit that protects crew in pilothouse and main cabin (including roof) against 7.62 x 39PS ball (2380 fps @ less than 10'), capable of multiple hit (four impacts on an 8" square with one in the center). Weapon fire originates from forward 180° sector in front of the boat with a bullet trajectory anywhere between horizontal (0°) and top down (90°) descending. See section 900 for certification requirements.	\$391,171.00
FPCB-MC	260-01	Ballistic Protection (mobility components): A mixture of dyneema polyethylene armor and high hard steel is provided for the boat mobility components. See armor arrangement drawing for coverage and material locations. It provides protection against against 7.62 x 39mm M1943 Ball at 2380 feet per second and weapon fire originating from 360° around the boat with a bullet trajectory anywhere between horizontal (0°) and 15° descending. Includes OEM certificate of compliance/ test certifications.	\$231,236.71
FPCB-PMDC	260-01	Ballistic Protection (pilothouse and cabin): A mixture of dyneema polyethylene armor and high hard steel is provided for the pilothouse and main deck cabin sides. See armor arrangement drawing for coverage and material locations. It provides protection against 7.62 x 39mm M1943 Ball at 2380 feet per second and weapon fire originating from 360° around the boat with a bullet trajectory anywhere between horizontal (0°) and 15° descending. Additional ballistic protection on pilot house and cabin roof against 7.62 x 39mm M1943 Ball at 2380 feet per second from a vertically descending shot (i.e. zero degree obliquity to roof). Includes OEM certificate of compliance/ test certifications.	\$227,017.08
380B2	260-01	Upgrade Vessel - Ballistic Up-Armor	\$131,083.80
MKVI-122a	260-01	Ballistic Windows: Engineered solution of bullet-proof windows in pilothouse and main cabin that protect crew against 7.62 x 39PS ball (2380 fps @ less than 10'), capable of multiple hit (two impacts, 8" apart). Weapon fire originates from forward 180° sector in front of the boat with a bullet trajectory anywhere between horizontal (0°) and top down (90°) descending. Defrosting capability on forward ballistic window .	\$76,919.00
FPCB-W	260-01	Ballistic Protection (windows): are provided the pilothouse and main cabin that protect against against 7.62 x 39mm M1943 Ball at 2380 feet per second when weapon fire originates from 360° around the boat with a bullet trajectory anywhere between horizontal (0°) and 15° descending. See armor arrangement drawing for coverage and material locations. The three forward and one aft ballistic windows have a heated inner layer for defrosting. Includes OEM certificate of compliance/ test certifications.	\$74,927.42
MKVI-121b	260-1000	Ballistic Protection (upgrade 121a): Engineered polyethylene armor kit that protects crew and passengers in pilothouse and main cabin (including roof) against 7.62 x 39PS ball (2380 fps @ less than 10'), capable of multiple hit (four impacts on an 8" square with one in the center). Weapon fire originates from 360° around the boat with a bullet trajectory anywhere between horizontal (0°) and top down (90°) descending.	\$58,045.64
380B1	260-01	Upgrade Engine Compartment & Fuel - Ballistic	\$53,923.23
490SO	260-01	RCB Smoke Grenade Launcher System Integration Pack	\$16,173.75
380M6	260-01	M6 Smoke Grenade Launcher Provisions	\$14,681.13
MKVI-122b	260-01	Ballistic Windows (upgrade 122a): Engineered Solution of Bullet-proof windows in pilothouse and main cabin that protect crew and passengers against 7.62 x 39PS ball (2380 fps @ less than 10'), capable of multiple hit (two impacts, 8" apart). Weapon fire originates from 360° around the boat with a bullet trajectory anywhere between horizontal (0°) and top down (90°) descending. Defrosting capability on forward and one aft ballistic window (minimum).	\$7,918.13
FPCB-G	260-01	Ballistic Protection for Gunners: 42" x 42" Dyneema Panel to provide protection against 7.62 x 39mm M1943 Ball at 2380 feet per second , Environmental coated, edges captured and protected to extend the panel life. Mounting provision to hang from hand rail, stanchion or rail socket. Panels not to impede use of weapon and are removable with hand tools. See armor arrangement drawing for coverage and material locations. Includes OEM certificate of compliance/ test certifications.	\$5,173.00

FLIRM6	260-01	FLIR M-626L, Installed, Display Not Included	\$19,115.51
MKV1-PA2	260-01	Public Address System: PA Package #2: Includes Zenitel EBT-10 PA talk back system (or equivalent). Configured with three waterproof talk back sub-stations with 15w horn speakers above decks; 1 headset equipped talk back sub-station with headset and 15w horn speaker in engine room; appropriately configured talk back sub-stations: one in the tank space, one in galley area, one in berthing and one in main cabin. One captain "master" station located in pilothouse with "all call" to any or all talk back stations; two paralleled substation operating as an extension of the master station (one in galley and one on flybridge). Each sub-station can talk back to the master station with PTT button push (or paralleled sub-station selected by the captain as the active "Master Station"). All calls initiated by active Master Station. Primary voltage is 24 Vdc. Will run on Vac as backup. Includes installation, set up and testing.	\$15,506.40
NAVP-711	260-01	Autopilot: A Furuno NAVPILOT 711 Autopilot system (including all associated equipment, such as electronics, engine adaptors, and pumpsets/actuators) is integrated and tested to work with the MTU and Hamilton Jet controls. It provides the ability to execute heading and course control for search pattern/grid executions. A compact flush mounted display is located on the console.	\$10,633.00
FLIRM324	260-01	FLIR M-324, Installed, Display Not Included	\$9,051.19
ER-CS-4	260-01	ER Camera/Boat Cameras for CCTV System: Cameras located with coverage/views of engine room interior (1 camera), exterior decks and swim platform (4 cameras), and all remote stations (2 cameras) at a minimum. Engine room camera shall be IR capable. Cameras are suitable for environments in which they are located. Video signal cables from each camera will be routed to equipment rack location for incorporation into video switching system (not included) with 20ft spare cable coiled, bagged, and labeled at location.	\$8,657.80
