2.5 PRODUCT OTHER THAN THOSE MENTIONED CAN BE CONSIDERED

A. The mention of a particular manufacturer's brand name or style number in the specifications does not imply that this particular product is the only one that will be considered for purchase. This reference is intended solely to designate the style, type or quality of merchandise that will be acceptable. If an "equal" product is to be considered by the County in accordance with the Bid/Proposal Submission Form, the product shall be equal in style, color, quality and standards of performance to the item specified in the solicitation.

The determination as to whether any alternate product is or is not equal shall be made solely by Miami-Dade County and such determination shall be final and binding upon all bidders. Miami-Dade County reserves the right to request and review additional information and samples to make such a determination. Each 'equal' item must be clearly identified on the offer submittal pages(s) as to manufacturer and style number. Failure to provide this information with the offer may result in rejection of the offer.

B Samples

Bidders may be required to submit a sample of the goods to be supplied for evaluation by, and at no cost to the County. This sample will become property of the County, and may or may not be returned to the bidder at the County's option. If samples are required, the County will notify the bidder of such in writing and will specify the deadline for submission of the samples. Each individual sample shall be clearly labeled with the bidder's name, bid number, bid title, manufacturer's name, brand name, and style number if applicable. If the bidder fails to submit the samples, properly labeled, by the specified date stipulated in the notice, the County may not consider the bidder's proposal for that item(s).

The County reserves the right to perform its own testing procedures. Any costs for testing shall be borne by bidder. On the basis of this testing and analysis, the County shall be sole judge of the acceptability of the sample in conformance with the bid specifications and its decision shall be final. Any sample submitted shall create an express warranty that the whole of the goods and/or services to be provided by the bidder during the contract period shall conform to the sample submitted.

2.6 EXEMPTION TO CERTAIN CLAUSES

Paragraph 1.21 (Insurance Requirements) will not apply to this RTQ nor to future solicitation.

Certain RFQ's issued under this RTQ will be funded through Federal grants or direct Federal funding. As a Federally-funded agency, certain clauses within this RTQ will not apply as defined in the RFQ. Below is a sampling of the paragraphs that would be affected for Federal/Grant funding.
