This allowance shall only be made when expressly authorized by a representative of the ordering entity prior to shipping the goods.

The County shall have no liability to the Contractor for the cost of any purchase made by an ordering entity under the UAP and shall not be deemed to be a party thereto. All orders shall be placed directly by the ordering entity with the Contractor and shall be paid by the ordering entity less the 2% UAP.

**INTERNAL SERVICES DEPARTMENT  
PROCUREMENT MANAGEMENT SERVICES**

**Justification/Input Document for Non-Competitive Acquisition**

It is the policy of Miami-Dade County to consistently purchase goods and services using full and open competition. The citizens of Miami-Dade County are best served when we make sound business decisions based on competitive bids or proposals. Early acquisition planning that includes consultation with Internal Service Department's procurement staff can help avoid delays and facilitates effective market research. However, there may be instances when other than full and open competition may be justified. When a user department(s) determines that other than full and open competition is necessary or in the best interest of the County, appropriate justification for that course of action must be submitted to ISD for approval and execution in order to waive the competitive bid/proposal process.

*Please provide the information requested below to support the need and feasibility for waiving the competitive bid/proposal process:*

Department:	Miami-Dade Police Department		
Contact Person:	Laura Romano	Phone Number:	305-471-2596
Requisition No.:	N/A	Estimated Value:	\$95,955.60 (60 months)
Proposed Vendor:	Warehouse Division of World Terminal		
Previous Contract Number:	IQ7463-4/13-4	Previous Contract Value:	\$23,568.00 Annual

**Purpose of the Purchase**

*Please describe your minimum requirements and the benefits of making the acquisition.*

The Miami-Dade Police Department's (MDPD) Public Information & Education Bureau currently has a contract with Warehouse Division of World Terminal, 2801 NW 74<sup>th</sup> Avenue, Suite 100, Miami, FL 33122, to receive and store shipments of educational materials used in conjunctions with the Bureau's programs. These materials range between 80-100 pallets of coloring books, crime prevention pamphlets, shirts, bicycle helmets, infant car seats, and various other educational items. MDPD does not have the receiving and storage capabilities for these items. This request will allow the department to establish a long-term bid waiver contract with the vendor for continual service.

**Best Interest of the County / Uniqueness of Product**

*Please provide a detailed description as to why a waiver of formal bidding is in the County's best interest (e.g., product standardization, compatibility, proprietary access or distributorship, how vendor is uniquely qualified to provide the needed product or service, etc.). Please note that a lack of advance planning is not an acceptable justification for a non-competitive acquisition.*

Warehouse Division of World Terminal has been facilitating the receiving and storage services for the past 8 years. Bureau personnel frequently respond to the facility to obtain materials for daily presentations and functions. The location is within 2 miles of the MDPD headquarters building which provides accessibility to the materials. Having a greater distance than this would hamper productivity and efficiency. The facility has 24/7 accessibility, giving MDPD personnel the ability to retrieve goods as needed, when needed. The vendor has proposed and guarantees a 60-month contract period, with no rate increase to the current monthly cost. The amount is established as a budget item within the department.

INTERNAL SERVICES DEPARTMENT  
PROCUREMENT MANAGEMENT SERVICES

**Market Research**

*Please describe your market research and the results thereof. This should include a description of other, similar sources or products available in the market if any and why they are not acceptable.*

Over the past 8 years, bureau personnel have searched for other facilities within the 5 mile radius of the police headquarters building with no success. Locations were neither willing to accommodate the amount of storage space required nor the accessibility to the materials. Furthermore, when such locations were interested, the costs quoted were double the amount currently being charged and they were not interested to become County vendors.

**Proposed Actions**

*Please describe the actions the department will take to overcome the present barriers to competition prior to any future acquisitions of this product or service.*

Personnel will continue to seek possible locations and seek alternative means to storage of the necessary materials, as needed.
