**Subject:** Resolution Approving a Third Amendment to the Dadeland North Joint Development Lease between Miami-Dade County and Green Dadeland Station, Ltd., Extending the Current Lease by Twenty Years, Increasing the Participation Rent and Authorizing the County Mayor to Execute Same and Exercise all Provisions Contained Therein

## RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve a Third Amendment to the Dadeland North Joint Development Lease between Miami-Dade County (County) and Green Dadeland Station, Ltd. (GDSL), extending the current lease by 20 years, increasing the participation rent and authorizing the County Mayor or designee to execute same and exercise all provisions contained therein.

## SCOPE

The project is located within Commissioner Xavier L. Suarez's District 7; however, the impact of this lease is countywide.

## FISCAL IMPACT/FUNDING SOURCE

There will be a positive fiscal impact to the County and to Miami-Dade Transit (MDT) as the project will be privately financed by the developer. Additionally, the County will realize an additional \$11,936,740.00 in the form of participation rent.

## TRACK RECORD/MONITOR

Miami-Dade County has entered into similar amendments with GDSL in the past. The terms of the attached Third Amendment will be monitored by Froilan Baez, MDT, Chief of Right-of-Way, Utilities and Property Management.

## BACKGROUND

In 1994, as a result of a Request for Proposals, the County awarded a 90 year ground lease to GDSL for a four-phase retail and residential development of County property at the Dadeland North Metrorail Station. Of the four (4) phases under the lease, three (3) phases consisting of commercial retail and market rate apartments were successfully delivered between 1996 and 2005. The lease was first amended in 2003 to permit residential condominiums for three (3) phases and again in 2004 to allow for rent reconciliation. The last phase pending development, Phase III, is the subject of this Third Amendment.

In 2007, GDSL assigned its rights, title and interest in the Phase III real property to Towers of Dadeland II, LLC (Towers II). In 2014, Towers II assigned its rights, title and interest in the Phase III lease to Pellinore Dadeland, LP (Pellinore), a Delaware limited partnership, for \$6.2 million and the County consented to the assignment. Pursuant to the original ground lease, the County has received half of its entitlement of 5 percent of the transfer price, or \$310,000.00, and will receive the remaining half in April 2015. Under the assignment, in addition to an Estoppel Certificate and Release, the County will not release Towers II from its obligations

under the lease until: (a) Pellinore has submitted performance bond(s) as required under the lease and amendment and (b) Towers II has paid the entire 5 percent of the transfer fee to the County.

Further, as it relates to the term, the 90 year term of the existing ground lease expires December 31, 2084, 70 years hence. Because this expiration date applies to the Phase III lease, this Third Amendment provides for the Phase III lease term to be extended automatically to a 90 year period, commencing on the date a Certificate of Occupancy is obtained by Pellinore on or before the fifth anniversary of the effective date of this Third Amendment. Regarding rent, the annual Additional Rent for Phase III under the existing ground lease stipulates a rate of 4.75 percent of the gross income. This Third Amendment increases the Phase III Additional Rent requirement to 5.75 percent for the first five (5) years and 5.35 percent for the remainder of the term which represents a substantial increase in revenue to MDT in the form of participation rent. The present value benefit to MDT from this Third Amendment is an extra \$11,936,740.00. Additionally, although the County retains ownership of the land, it will receive impact fees (\$2.5 million minimum estimate) and ad valorem taxes (estimated to exceed \$1 million per year) on the privately-owned improvements to be constructed.

Pellinore is proposing to construct a 25 story, 265,960 square foot, 272 unit, luxury, multi-family, market-rate, residential rental apartment building on the 0.87 acre Phase III land. The construction of Phase III is slated to begin within the next five years. Therefore, it is in the best interest of the County to approve this Third Amendment.

Since the Metrorail was acquired and constructed, in part, with Federal funds, concurrence from the Federal Transit administration was required and has been received.

5. Lease Extension Terms. The term of the Phase III lease shall remain as defined in the Original Lease, ending December 31, 2084. If Phase III Tenant fails to obtain a Certificate of Occupancy on or before the fifth (5th) anniversary of the Effective Date, Phase III Tenant may elect, at its sole discretion, to make Optional Monthly Extension Payments in the amount of \$20,000 per month in order to preserve the rights and obligations set forth in this Third Amendment. Phase III Tenant shall deliver the first Optional Monthly Extension Payment to Landlord no later than 5:00 PM on the fifth (5th) anniversary of the Effective Date of this Amendment and on the first calendar day of each succeeding month. The amount of the first Optional Monthly Extension Payment will be calculated on a pro rata basis. In the event that any Optional Monthly Extension Payment remains overdue for a period longer than thirty (30) days, this Third Amendment shall become null and void and be of no further force and effect and the rights and obligations of the Parties shall be governed by the terms set forth in the Original Lease.

If Phase III Tenant makes Optional Monthly Extension Payments in accordance with this Section and obtains a Certificate of Occupancy after the fifth (5th) anniversary of the Effective Date, the lease term shall be extended automatically in accordance with Section 5 of this Amendment. Phase III Tenant shall not be required to make any additional Optional Monthly Extension Payments after obtaining a Certificate of Occupancy for the Building within Phase III.
