**Date:** January 20, 2016

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Proposed Zoning Ordinance Modifying Procedures for Filing Zoning Hearing Applications, Amending Section 33-304 of the Code of Miami-Dade County

---

**Recommendation**

It is recommended that the Board of County Commissioners (Board) adopt the attached ordinance modifying procedures for filing Zoning Hearing Applications, amending Section 33-304 of the Code of Miami-Dade County (Code).

**Scope**

This ordinance is applicable throughout Unincorporated Miami-Dade County.

**Fiscal Impact/Funding Source**

The proposed ordinance bears no fiscal impact to Miami-Dade County. Ordinance implementation, if adopted, does not result in additional staffing needs or future operational costs for County administration. Activities relating to the implementation of the ordinance would be absorbed by the administering department as part of their ongoing activities.

**Social Equity Statement**

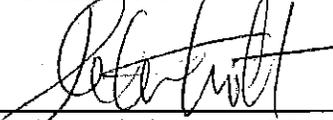

The proposed ordinance is not anticipated to have a specific social equity benefit or burden as described by Ordinance No. 15-83. As explained below, a more flexible filing period may help expedite processes and improve service and access to all customers, potentially yielding positive economic benefits to applicants who will now be able to expedite plans through the availability of an unrestricted filing process. However, a specific benefit is not quantifiable at this time.

**Track Record/Monitor**

The Assistant Director of the Development Services Division of the Department of Regulatory and Economic Resources (RER), Nathan Kogon, will administer and monitor the ordinance implementation.

**Background**

The ordinance eliminates the restrictive filing period established in the Code so that applicants may be able to file zoning hearing applications at any time. Currently, the Code limits the filing period of zoning hearing applications to three consecutive days on the first and third Monday of each month. The proposed ordinance was reviewed and discussed with representatives of related industries. A more flexible filing period will help RER to expedite processes and improve customer service and access.
