Recommendation

The attached Contract Award Recommendation for the People's Transportation Plan (PTP) project entitled *Roadway Resurfacing Contract, Located within Commission District 8* (Project MCC 7360 Plan - CICC 7360-0/08 Request for Price Quotation No. 20140055) in the amount of \$1,055,072.37 to H & R Paving, Inc., was prepared by the Public Works and Waste Management Department (PWWM) and is recommended for approval by the Board of County Commissioners (BCC).

This Contract Award Recommendation is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). This Contract Award Recommendation may only be considered by the BCC if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the BCC prior to the date scheduled for BCC consideration or forty-five (45) days have elapsed since the filing with the Clerk of the Board of this contract award recommendation. If the CITT has not forwarded a recommendation and forty-five (45) days have not elapsed since the filing of this award recommendation, I will request a withdrawal of this item.

Scope

The work to be performed under this Contract includes roadway resurfacing along SW 136 Street, from SW 82 Avenue to Old Cutler Road; and SW 122 Avenue, from SW 104 Street to SW 120 Street, located within Commissioner Lynda Bell's District 8.

Fiscal Impact/Funding Source

The base contract amount is \$906,512.80, with the total amount being inclusive of contingency and dedicated allowance amounts. There is no fiscal impact to operations or maintenance.

The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. Specific funding for this project will be allocated from Commission District 8 yearly PTP allocation and may be supplemented by other funding sources when available. The funding index code for this project is CPEPTP700RSF.99110 (FY 2013-14 Adopted Capital Project 6037700).

Delegation of Authority

No additional authority is being requested within the body of this Contract.

Track Record/Monitor

H & R Paving is currently performing work for PWWM at a satisfactory level. The Capital Improvements Information System (CIIS) database lists 75 awarded construction contracts as follows:

- one (1) from Water and Sewer Department, and
- 74 from PWWM.

The referenced database also lists a total of 156 contractor performance evaluations (several contracts having two evaluations on file, an interim and a project closeout) with an overall performance rating of 3.1 (satisfactory performance), out of a possible 4.0 (superior performance) rating. The Regulatory and Economic Resources Department, Small Business Development Division (SBD) History of Violation's report lists no violations for this contractor.

According to the Florida Department of State, Division of Corporations, H & R Paving, Inc., Company Principals are Raul Gonzalez and Lucrecia Gonzalez and the Company's address is listed as 1955 NW 110 Avenue, Miami, Florida 33172.

Following PWWM's standard operating procedures, after award of this Contract a pre-construction meeting will be scheduled. The person responsible for all PTP projects in PWWM is Capital Improvements Manager, Mr. Alejandro Martinez-Esteve, RA, LEED AP. Following completion of the award process, the project will be assigned to Mr. Joaquin Rabassa, P.E., Project Coordinator, for day-to-day responsibilities.

Background

As part of the PTP Neighborhood Improvements initiative, PWWM continues to take advantage of various contracting mechanisms such as the Miscellaneous Construction Contracting process available under the MCC 7360 Program. Through this process, PWWM forwards a Request for Price Quotation (RPQ), by way of facsimile transmission, to a pool of firms that have registered with the Internal Services Department for the respective trade. Additionally, PWWM advertises the project in the *Daily Business Review* and all solicitations are available on-line through the Miami-Dade County portal under the "Procurement Solicitations" link. The project's award evaluation is based upon the bid submitted by the lowest responsive, responsible bidder for the project.

PWWM submitted to SBD its contract measure recommendation for Community Small Business Enterprise (CSBE) participation for this RPQ. SBD completed its Project Review and Analysis, and established Trade Set-Asides for Traffic Stripes and Markings, and Concrete Work, including Americans with Disabilities items as required for compliance with Implementing Order No. 3-22. A Community Workforce Program Goal was deemed not applicable to this RPQ. On May 15, 2014, PWWM forwarded RPQ No. 20140055, utilizing the MCC 7360 Plan - CICC 7360-0/08 Contract, to a list of 69 pre-registered firms. A total of three (3) firms purchased contract documents and all three (3) firms proffered a bid.

On June 18, 2014, Metro Express, Inc. proffered the lowest base bid of \$874,875.85; however, Metro Express failed to submit the Schedule of Intent (SOI) Affidavit committing to utilize a certified CSBE firm to perform the concrete work.

As such, SBD Division found Metro Express not in compliance with Implementing Order No. 3-22 for the CSBE Program. H & R Paving, Inc. proffered the lowest responsive and responsible base bid of \$906,512.80, six (6) percent over the County's cost estimate. The second lowest bidder, H & J Asphalt, Inc. proffered a base bid of \$993,257.30, 16 percent over the County's cost estimate.

Based on the results of the solicitation, PWWM issued a recommendation for award on July 18, 2014 for RPQ No. 20140055 to H & R Paving, Inc., with the stipulation that approval for this project must be obtained from the CITT and the BCC.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment, and tools to perform all operations necessary for roadway resurfacing improvements. The work includes milling of existing pavement, the widening and resurfacing of intersecting streets, and resurfacing of asphalt pathways (pedestrian, bicycle, etc.) adjacent or not to the edge of the pavement, if necessary, clearing and excavating of shoulder areas or build-up, grading and clean-up of adjacent shoulders and removal of roots, if required. Additionally work includes pavement markings including the installation of reflective pavement markers, new sidewalks, sidewalk curb and gutters and pedestrian ramps.

Re: **Recommendation for Award**

Request for Price Quotation (RPQ) No. 20140055 (MCC 7360 Plan)
People's Transportation Plan Roadway Resurfacing Contract

Dear Mr. Gonzalez:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, June 18, 2014. The total RPQ amount is for one million fifty-five thousand seventy-two dollars and thirty-seven cents (\$1,055,072.37). This includes a base contract amount of nine hundred six thousand five hundred twelve dollars and eighty cents (\$906,512.80), a contingency amount of ninety thousand six hundred fifty-one dollars and twenty-eight cents (\$90,651.28), and dedicated allowances totaling fifty-seven thousand nine hundred eight dollars and twenty-nine cents (\$57,908.29). The contract duration is established as **450-calendar days**. However, the recommendation of award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. MCC 7360 Plan, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**. (The **original attached documents** must be used and three (3) sets must be provided).
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).

The preceding documents are required as outlined within Contract MCC 7360 Plan and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Recommendation for Award
RPQ No. 20140055

Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s).

This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Additionally, please be advised that your firm must have the resources to ensure work proceeds without delay once the "Notice to Proceed" is issued. Lack of equipment, personnel or additional contracts with similar completion schedules, will not be reason for delay.

Further, since proceeds from the Charter County Transportation System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the Citizens' Independent Transportation Trust (CITT) and the County Commission have approved the award of the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto).

Subject: CSBE Compliance Review
MCC 7360 Plan – CICC 7360-0/08 Request for Price Quotation (RPQ) No. 20140055
(PTP) Roadway Resurfacing Contract

The Small Business Development (SBD) Division has completed its review of the subject project for compliance with the Community Small Business Enterprise (CSBE) Program for Construction Services. The contract measure established for this project is a CSBE Trade Set-Asides in the following trade areas:

Trade Set-Aside #1 – Traffic Stripes & Markings: Painted and/or Thermoplastic
Trade Set-Aside #2 – Concrete: Sidewalk and/or Curb and Gutter

The Contracts & Specifications Section of the Public Works and Waste Management Department (PWWM) has submitted bid documents from H & R Paving, Inc. (#1), and Metro Express, Inc. (#2) for compliance review. Following is the pre-award compliance status and summary.

STATUS:

- | | |
|------------------------|---------------|
| 1. H & R Paving, Inc. | Compliant |
| 2. Metro Express, Inc. | Non-Compliant |

SUMMARY:

H & R Paving, Inc. (#1), submitted SOI Affidavits committing to utilize Roadrunner Striping Technologies, Inc. a certified CSBE firm, to perform traffic stripes and markings, painted and/or thermoplastic work; and Quality Paving, Corp., a certified CSBE firm, to perform concrete: sidewalk and/or curb and gutter work. Each subcontractor signed its respective SOI Affidavit in agreement with the information listed. H & R Paving, Inc. is in compliance with the Implementing Order for the CSBE Program for the purchase of Construction Services

Metro Express, Inc. (#2), submitted a Schedule of Intent (SOI) Affidavit committing to utilize Road Runner Striping Technologies, Inc., a certified CSBE firm, to perform striping work. Metro Express, Inc. failed to submit a SOI Affidavit committing to utilize a certified CSBE firm to perform the concrete scope of work. SBD notified Metro Express, Inc. in writing that its bid documents submitted did not comply with the CSBE measures applied to the contract. The firm did not request a meeting to provide additional documentation and clarification to assist in the compliance review. As such, Metro Express, Inc. is not in compliance with the Implementing Order for the CSBE Program.

A review of the History of Violations Report as of July 7, 2014 reveals that Metro Express, Inc. has an open violation, which is being resolved on a current contract. Please note that SBD staff reviewed and addressed
