E-mail Address: _____

PROPERTY INFORMATION

How many Average # of # of vistors Year
bathrooms: _____ employees/occupants: _____ per day: _____ property was built: _____

PROJECT INFORMATION, AGREEMENT – RELEASE OF LIABILITY

Industrial, commercial and institutional establishment participating in the Miami Dade County's *Industrial, Commercial and Institutional (ICI) Water-Use Evaluations Project* initiative are encouraged to adopt cost-saving 'green' practices that conserve energy, reduce water consumption, protect air quality and reduce waste. Miami-Dade County Water-Use Efficiency Program provides a **free evaluation** to ICI facilities in order to assist them in evaluating their water consumption and determine ways to use water more efficiently. Miami-Dade Water and Sewer Department (MDWASD) may deny any application that does not meet all of the project requirements. MDWASD reserves the right to alter this project at any time. Evaluations shall be made on a first-come, first-served basis as long as project funding exists.

The undersigned agrees to allow MDWASD or its designee to inspect all equipment/fixtures/appliances as a condition under this project. MDWASD does not warrant or guarantee lower water bills as a result of participating in the project. The MDWASD is not responsible for any damage that may occur to applicant's property as a result of evaluating the facility under this project.

The undersigned agrees to hold harmless Miami-Dade County and its Board of County Commissioners, and MDWASD and its officers, employees, agents and designees from and against all loss, damage, expense and liability resulting from or otherwise relating to the water-use evaluation including from any property damage, physical harm or personal injury, even if such injury or damage is alleged to have been caused; in whole or in part, by the County's or MDWASD's negligence.

By signing this form I agree that I have read, understand and agree to the term and conditions of the Industrial, Commercial and Institutional Water-Use Evaluation Project.
