

## **FACT SHEET**

Miami-Dade County  
Department of Transportation and Public Works  
**DRAINAGE IMPROVEMENT PROJECT**  
**Project No. 20140222/Work Order No. 4**  
**NE 18<sup>th</sup> Avenue and NE 199<sup>th</sup> Street**

---

### **Project Description:**

The drainage improvement project is located in the vicinity of NE 18<sup>th</sup> Avenue and NE 199<sup>th</sup> Street within Miami-Dade County Commission District 4. This project was initiated due to documented flooding complaints within the boundaries described above. The scope of work consists of, but is not limited to, the construction of a storm drainage system consisting of exfiltration trenches and solid pipe along with drainage inlets and storm manholes; as well as miscellaneous roadway restoration.

### **Construction Schedule:**

Construction is scheduled to begin March, 2016 and is anticipated to be completed in April, 2016.\*

*\*The Construction Schedule above is weather permitting.*

### **Methodology and Efforts:**

All efforts are being made to minimize the impact from construction activities to local residents, schools, businesses and motoring public in the area. The area will be restored to its original condition upon the completion of the construction activities. The restoration activities will address any areas impacted by the project, such as grassy areas, sidewalks and others items affected by the construction.

**If you have any questions or require additional information, please contact the Department of Transportation and Public Works, Construction Division, at 305-375-2111.**
