

Working to make your park experience even better with this important construction project!

Live a Park Life!

- ▶ **Project Name:** Pelican Harbor Marina Boat Ramp Parking Lot Beautification Project
- ▶ **Construction Start Date:** September 2018
- ▶ **Estimated Construction Completion:** Fall 2019
- ▶ **Scope of work:** This improvement project will be in three (3) phases so that the boat ramp remains open at all times with 40 (plus or minus) parking spaces available. This project includes renovating the existing parking and create a new layout to improve traffic flow. There will be a new right turn lane east bound into the main entrance, a new 8' foot wide pedestrian walkway, new lighting and landscaping, new drainage swales and catch basins. The existing asphalt will be removed and will be re-graded, resurfaced and restriped.
- ▶ **Estimated Cost:** \$2M
