

## VIRRICK PARK VENETIAN POOL

*Artistic rendering of proposed Virrick Park*

As part of the “Miami Pride, City Wide...Miami Pride, County wide” initiative that has already been approved by City of Miami Mayor Tomas Regalado and Miami Dade County Mayor Carlos Gimenez, Commissioner Suarez has proposed a spectacular pool concept for the restoration of the Virrick Park Community Center. With \$2.4 million already allocated to the renovation of the park in General Obligation bonds from the City of Miami, this initiative calls for a complete renovation of the Virrick Community Center Pool into a venetian-style pool while adding several Coconut Grove-themed elements to the landscape such as an enhanced tree canopy and more greenery surrounding the facility.
