Dear Friends:

As many of you know, one of the initiatives our office will pursue is to encourage our friends to support charitable causes that benefit our community. We will be highlighting and involving our office in supporting a different charity every month. In January we participated in WalkAbout Autism for the Dan Marino Foundation. This month, we will be partaking in the Miami Kidney Walk for the **National Kidney Foundation**. Approximately, 26 million American adults have Chronic Kidney Disease and millions of others are at increased risk. I want to encourage my district, the business community, and my friends to start a team and support this cause. If you prefer, you can make a donation please click [here](#).

For more information please contact my office at 305-383-2306 or visit my District 11 website at www.miamidade.gov/district11/

Warm Regards,

Juan C. Zapata
County Commissioner
District 11
