## BOARD OF COUNTY COMMISSIONERS

JUAN C. ZAPATA, DISTRICT 11

Dear Friends,

Our March charity of the month is "Sponsor an Athlete 5K Run/Walk" by the Special Olympics. Special Olympics provides year-round sports training and athletic competition in a variety of Olympic type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

Join our office in "Making a Difference". The event will take place **Sunday, March 9, 2014 starting at 8:00 AM at Gulliver Preparatory School located on 6575 North Kendall Drive, Miami, FL 33156.**
