

MIAMI-DADE COUNTY

BOARD OF COUNTY COMMISSIONERS

JUAN C. ZAPATA, DISTRICT 11

Dear Friends,

Thank you for being part of our District 11 mailing list. My staff and I are delighted to represent you. We will use this mailing list to communicate on a monthly basis of upcoming events or information from our community and County.

Our office joined State Representative Jeanette Nuñez in a community food drive in District 11 where more than 200 preselected families received food packages and goods at the Tamiami Lakes Park, located at 13220 S.W. 18th Street. The distribution took place on Saturday, December 22, 2012 from 10 a.m. to 12:00 noon.

One of the initiatives our office will pursue is to get people more engaged in charitable giving. We will be highlighting and involving our office in supporting a different charity every month. In January we participated in WalkAbout Autism for the Dan Marino Foundation. Autism is the fastest growing developmental disorder in young children today. It is rising 10-17 percent annually and is now more common in children than cancer, juvenile diabetes and pediatric AIDS combined.

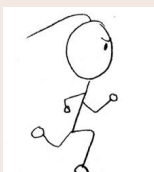

I want to show my gratitude to the Miami-Dade Health Department and the Miami Children's hospital for inviting the community to take advantage of free flu vaccinations.

Our office teamed up with the Department of Health and Miami Children's Hospital to host a free flu vaccination event at the Fair Expo center on Saturday, February 2, 2013.

Flu Shots are available at Miami-Dade County Health department clinics, pharmacies and other health related facilities. Visit www.flushot.healthmap.org to find a location where flu shots are administered.

Events
