

# MAKING YOUR EDUCATION *more affordable*

Let nothing stand in your way of *earning a degree*

In earning an advanced degree, you're making an investment today that's directly applicable to your future. With a well rounded education from a respected institution, you can be on your way to pursuing the career of your choice and increasing your earning potential.

At DeVry University and its Keller Graduate School of Management, we know financial matters can present hurdles to achieving your career goals. That's why we're committed to offering millions in merit and

need-based scholarships, grants and other institutional assistance in the 2014/2015 award year to qualifying students pursuing advanced education. Whether you're a graduating high school student, a transferring undergraduate, an adult learner with a dream to pursue, a graduate student working toward your next promotion or a veteran ready for the next challenge, you may be able to take advantage of financial awards offered by DeVry University.

## Ways to save:

### Lock-in your tuition rate through graduation – *that's our promise*<sup>1</sup>

When you're planning to go to college, it helps to know what's ahead. That's why we're pleased to provide the Fixed Tuition Promise. That means your tuition rate is locked in through graduation. At DeVry, we guarantee your tuition rate through graduation – even if tuition increases, even if you switch majors, or have to add courses – your rate will stay the same. That's our promise to you.

### Scholarships and grants

You might not know that DeVry University offers millions of dollars in scholarships and grants every year, including \$75 million in available funds for the 2014-2015 award year. We have a wide range of scholarships and grants for a variety of student audiences:<sup>\*</sup>

- High school graduates
- Transfer students
- Adult learners
- Graduate students
- International students
- Veteran students
- Need-based students

Explore to find the scholarship that's right for you.

### Group tuition savings

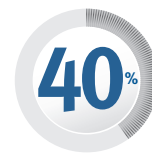

**Military**<sup>2</sup> – U.S. military personnel serving in any of the five branches of the U.S. Armed Forces (including National Guard and Reserves), and their spouses, are eligible for DeVry University's undergraduate military tuition rate of \$250 per credit hour. That's a 58% savings from the tuition rate of \$609 per credit hour.

**Corporate partnerships** – Students may benefit from partnership agreements between DeVry and select employers offering group tuition rates with savings opportunities.

**International students** – The American Pathways for International Scholars program provides reduced tuition rates for students studying online from their home country.

### Take more classes and save<sup>2</sup>

Each session your first seven credit hours of undergraduate credits are charged at \$609 per credit hour, you benefit from a 40% savings on any additional credit hours taken during the same session. The additional credit hours are charged at a lower tuition rate of \$365 per credit hour.<sup>3</sup>

<sup>1</sup> Required enrollment in a degree program; some exclusions and continuing eligibility requirements apply. For full details visit [devry.edu/ftp](http://devry.edu/ftp).

<sup>2</sup> Applies to undergraduate students only. <sup>3</sup> Not applicable to students receiving the DeVry undergraduate military tuition rate.

<sup>\*</sup>Qualifications vary. See reverse for specific offerings and eligibility requirements.

# FINANCING YOUR EDUCATION WITH *scholarships and grants\**

## Follow these easy steps to take advantage of scholarships, grants or other institutional assistance programs

### › Visit our website

DeVry's scholarship website, [devry.edu/scholarships](http://devry.edu/scholarships), offers detailed information about our scholarship and grant programs.

### › Use our scholarship search tool

To help you search for scholarships and grants offered by organizations outside the University, go to [devry.edu/scholarships](http://devry.edu/scholarships).

### › Get assistance

Our advisors can guide you toward appropriate scholarships, grants and other institutional assistance programs you may be eligible for and help you gather any information needed to qualify for each program.

### › Apply early

Applying early will enable you to take the most advantage of programs that may be available to you.

### › Keep informed

You can track the financial award process through your student portal and email notifications from the University, as well as by working with your student support professional. Also, make sure you understand the continuing eligibility criteria for your award so that you maintain eligibility throughout your studies.

### › Accept the best

If you receive more than one scholarship, grant or other institutional assistance program, you'll be awarded the one that benefits you most.

### › Understand your scholarship benefits

Scholarships, grants and other institutional assistance programs help offset the cost of tuition. Your student support professional can help you understand how much tuition your institutional aid covers each semester.
