

**FREE**

# IDENTITY THEFT WORKSHOP

Harvard Risk Management Corporation is now offering a FREE identity theft workshop for Miami Dade County employees.

**WHEN: Wednesday, Oct 7<sup>th</sup> 2015**

**LOCATION: Government Center, 18<sup>th</sup> Floor**

**TIME: 10:00 AM**

During the workshop you will:

- Learn how to protect themselves from the devastating effects of ID theft
- Be introduced to the five major types of identity theft
- Learn how to better protect personal and company information
- Learn about restoration services and credit monitoring plans

## IDENTITY THEFT FACTS

- ID theft is one of the fastest growing crimes in the US
- There are 30 new victims EVERY MINUTE
- Only 17% of identity theft deals with credit cards
- Medical ID theft is the fastest growing area
- The average victim spends over 600 hours in the process of restoration
- Most identity theft solutions offer little or no Restoration benefit
- An identity theft education can save employers and employees thousands of dollars in potential losses
- Identity Theft has topped the Federal Trade Commission's national ranking of consumer complaints for 15 straight years

Pre-register and receive a RFID  
Credit Card Blocker Sleeve for  
your personal use!
