

Smile with Confidence!

SMILE FOR YOUR HEALTH!

Several studies have proven that SMILING:

- Decreases the levels of your body's stress enhancing hormones
- Increases positive mood enhancing hormones (endorphins)
- Lowers blood pressure

SMILING MAKES YOU HAPPY!

A 2009 research study in Munich Germany found that the emotional processing centers for emotion and happiness are both activated when we smile!

SMILE FOR A LONGER LIFE!

A 2010 Wayne State Research project examined the smiles of MLB players' pictures on their baseball cards. The study concluded that players who smiled in photos lived an average of 7 years longer than those who did not smile!

Lakes Orthodontics believes that everyone deserves straight teeth and a beautiful smile! Orthodontic Specialist Dr Carmen Briceño Crespi has helped thousands of South Florida's children, teens and adults to have beautiful, straight teeth.

Here are a few examples of what actual patients are saying about Dr Carmen Briceño Crespi:

ACTUAL PATIENT, 29

Getting engaged was a very exciting and stressful time in my life! One of the best decisions that I made was to visit Dr. Carmen Briceño Crespi. She customized my orthodontic treatment so that I could have beautiful straight teeth in time for my engagement pictures. Having straight teeth really gave me confidence and made me want to smile! Thank you Dr. Crespi!"

ACTUAL PATIENTS, 7 & 35

"Getting my son to visit any type of doctor has always been a challenge. Needless to say he was not excited the first time I took him to see an Orthodontist! However, I am happy to say that Dr Carmen Briceño Crespi changed my son's entire outlook on visiting a Dr.'s office. She took the time to explain my son's treatment to both of us and made us feel extremely comfortable and safe in her office. I highly recommend Dr. Briceño Crespi for all of your orthodontic needs!"
