MEET OUR **MCHF5K HERO** - MELANIE

Melanie has been through quite a lot in the past few years; she was diagnosed at Nicklaus Children's Hospital with acute lymphoblastic leukemia at age 12, and has faced challenges that many other teens her age will never know. Despite everything, Melanie has never lost hope and is determined to make a difference by raising awareness for pediatric cancer and inspiring others to live life to the fullest.

**All contributions will benefit children like Melanie
at Nicklaus Children's Hospital!**
