

Hang up on distracted driving.

If your car's in driving mode, you should be too. The Sprint Drive First app sends calls to voicemail and silences email and text alerts when in motion.

Sprint Drive First™

Application for Android™ smartphones
Free only for Sprint customers with qualifying plan. Standard text and data rates apply without a plan.

- Automatically activates when the phone is in motion (10 mph)
- Directs incoming calls to voicemail
- Silences distracting alerts for emails, text messages or other unsafe distractions
- Lets phone numbers you designate always go through
- Selectively allow apps that are relevant to driving—like maps and music.
- Provides custom notifications when the Sprint Drive First app is overridden
