

Take charge of your future

Want to take charge of your own finances and reach your goals?

Whether you want to:

- build your credit or your own business
- invest in the market or a home
- shop for a loan
- open your first bank account

The *Hands on Banking*® program offers basic money tools, skills, and information you need. This free, non-commercial program teaches people in all stages of life about the basics of responsible money management. So take charge of your future with money skills you need for life.

Please visit www.handsonbanking.org to learn more.

Also for a limited time, Wells Fargo customers can get a free credit score and complimentary credit report¹.

Knowing your credit score is key to understanding your entire financial picture.

Stop by a Wells Fargo store to get your personal access code before the promotion expires on November 15, 2012.

¹ This is a limited time promotion for Wells Fargo customers and is available in-stores only through November 15, 2012. Wells Fargo may, at its own discretion, limit the number of personal access codes and/or cancel the free credit score and complimentary credit report promotion at any time. Your credit report will look like what a lender would see if the lender obtained your credit report at the same time. Your version is formatted to be more easily understood. Your credit score could vary by lender depending on the type of scoring used. The credit score you receive in this promotion probably will not be the same as the credit score obtained by a lender and is for educational purposes only. See banker for more details.

Together we'll go far
