

Got Duck?

Health Insurance doesn't cover all medical events and costs, in fact a major study was done by Harvard and it found:

- 60% of all U.S. bankruptcies are from medical bills
- 77% had Major Medical insurance

For 60 years, Aflac has helped many people with these out-of-pocket costs. Inquire about the different plans Aflac offers that help you financially when a sickness or accident affects the entire family.
