

BAYNANZA

2014 CALENDAR OF EVENTS

What is BAYNANZA

Baynanza is an action-packed community wide celebration of environmental awareness and stewardship culminating in the Biscayne Bay Cleanup Day, a monumental effort involving thousands of volunteers who come together to help restore Biscayne Bay, one of South Florida's most precious natural resources. This year we are commemorating Baynanza's 32nd anniversary and we're extremely proud to host the festivities and this event for our community.

Through environmental stewardship and hands on participation we can all make a difference and create a greener tomorrow. We hope you enjoy our Baynanza 2014 Calendar of Events and that you take part in the Biscayne Bay Cleanup Day or any of the many activities that Baynanza has to offer this year.

Thank you,

BAYNANZA Registration Form Deadline April 4th, 2014

You are invited to the Baynanza 2014 Biscayne Bay Cleanup Day, the largest shoreline cleanup in Miami-Dade County. Join thousands of volunteers like yourself on Saturday, April 26th from 9 AM until noon and make a difference in our community. This annual event is hosted by the Miami-Dade Department of Regulatory and Economic Resources (RER) Division of Environmental Resources Management (DERM). There will be free T-shirts* and water for all registered cleanup volunteers who provide their complete contact information by the registration deadline, Friday April 4th. It's easy to register, just go online to www.miamidadegov/environment. You can also fill out this registration form and fax it to 305-372-6419 or mail it to RER DERM c/o Baynanza 701 NW 1st Court Suite 200 Miami, FL 33136. Site capacity is limited, so make sure to register early. Baynanza is fun, free, and very fulfilling!

Instructions: Please read the descriptions below of the cleanup sites and decide which two are best for you or your group. Then fill out the blanks below and return this form via fax or by mail. Save paper and time: You can expedite your registration by doing it online at www.miamidadegov/environment.
