

MIAMI-DADE COUNTY, FLORIDA
Seaport General Obligation Bonds

SECURITY FOR THE BONDS

Seaport Department Revenues

The Seaport General Obligation Bonds (the "G.O. Bonds") are secured by a pledge of the Net Revenues of the Seaport Department as provided in the Bond Ordinance. "Net Revenues" is defined in the Bond Ordinance to mean the excess of Revenues over Operating Expenses (Seaport Operations). The G.O. Bonds are additionally a general obligation of the County, secured by the full faith and credit of the County, and to the extent that the Net Revenues of the Seaport Department are insufficient to pay debt service on the G.O. Bonds, are payable from ad valorem taxes levied on all taxable property in the County without limit as to rate or amount.

The G.O. Bonds and the interest payable thereon and any premium with respect thereto are payable, on a parity basis with any outstanding Revenue Bonds of the Seaport and any Additional Bonds and Refunding Bonds, from the Pledged Net Revenues.

General Obligation Pledge

The G.O. Bonds constitute a general obligation of the County, and in addition to being secured by the Net Revenues of the Seaport Department, are secured by the full faith and credit of the County. The Bond Ordinance provides that the G.O. Bonds are payable primarily from the Net Revenues, but if and to the extent that such Net Revenues are not sufficient to pay debt service on the G.O. Bonds as the same become due and payable, the G.O. Bonds shall be payable from ad valorem taxes levied by the County on all taxable property in the County without limit as to rate or amount. Such method will be used to impose ad valorem taxes sufficient to pay debt service on the G.O. Bonds upon a determination by the County that the Net Revenues and amounts in the General Obligation G.O. Bonds Subaccount of the Reserve Account are insufficient therefor; in such event the holders of the G.O. Bonds shall be entitled to receive payment from the County from ad valorem tax revenues appropriated to the payment of the G.O. Bonds.
